

LibGuides are sets of web pages for research assistance, subject guides, and useful resources compiled by librarians at Wilmington University Library. The Lib Guide contains pertinent information such as Library Databases and Web Resources customized for your course.

To change the URL in the Library link in the course menu, follow the steps outlined below.

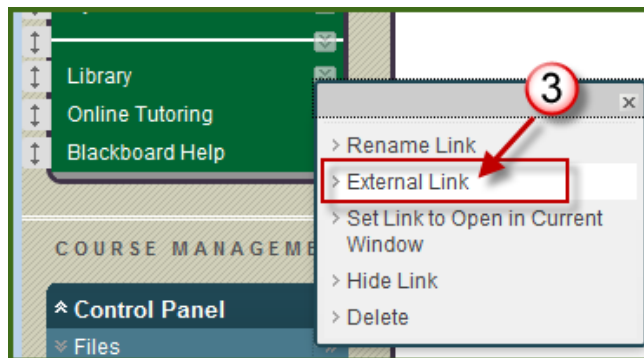

1. Make sure Edit Mode is ON in the course.

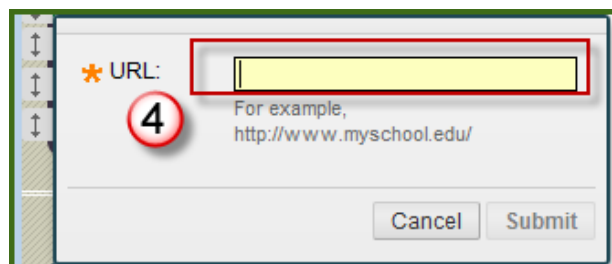

2. On the course menu click on the down chevron arrow next to Library. A contextual window opens.

3. Click on External Link.

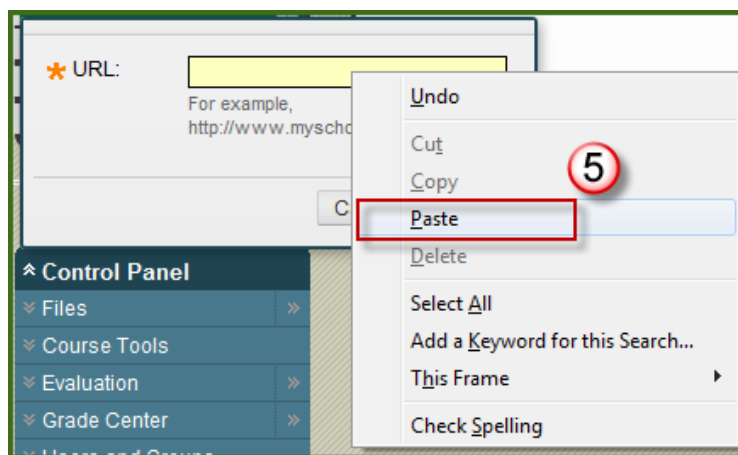

4. Delete the existing URL in the field.

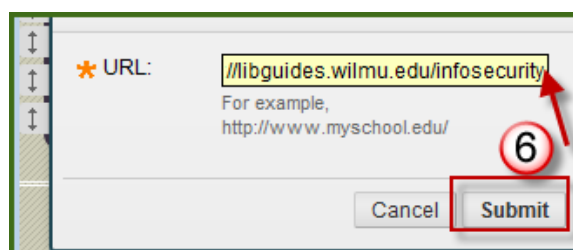

Changing the Library Link on the Course Menu

5. Go to your email that contains the URL sent by the Wilmington University Library Department. Copy and Paste the **LibGuide** link into the URL window.

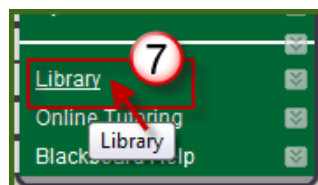

(You may choose to paste using the right click from your mouse and choose Paste from the menu. OR you may paste using the keyboard shortcut, Ctrl + V).

6. Once your new URL is pasted in the URL field, click **Submit**. If the Submit button is grayed out, **add a space at the end of the URL and then click Submit**.

7. Then click on the Library link in the course menu.

8. The Library link will now display the **LibGuide** designed for your course!
