F-1 Visa Compliance Form

As an international student at Wilmington University, I understand and agree to adhere to the following USCIS (United States Citizenship and Immigration Service) rules regarding maintaining my student visa status. Failure to comply with USCIS rules and regulations may result in my becoming “out of status” and result in possible USCIS action against me. By signing this form, you acknowledge that you accept and understand the requirements and responsibility of a lawful F-1 visa holder.

- While the Admissions Office of Wilmington University provides international students with superior level of services that pertain to students in F-1 status, we do not provide legal services. For legal issues and services, please refer to a qualified immigration attorney.
- The PDSO/DSO is responsible for monitoring my compliance with USCIS rules and regulations. I further understand that I am responsible for knowing and adhering to these rules, and that there may be serious consequences to me should I fail to comply with these rules.
- I understand that my reason for being in the United States is to be a student, and that I may have to attend school at times that I don't find convenient.
- I am responsible for successfully completing a full course of study (no less than 12 credits in each the fall and spring semesters for undergraduate students and no less than 9 credits in each the fall and spring semesters for graduate students). If entering during the Summer Semester, you are required to attend full-time (see above).
- I must make normal academic progress towards completion of the program in which I am studying.
- I understand that I will be tested for mathematics and English unless I have official proof of the equivalent of the required course in the applied major taken in an accredited US institution. If the test results indicate, I may have to take additional classes prior to, or concurrent with, courses that are required for my major.
- It is my responsibility to monitor my own registration status and make sure that my courses have not been dropped for non-payment or, if a class has been canceled, it is my responsibility to make sure that I find another class to replace the canceled one to maintain my full-time status.
- It is also my responsibility to notify the PDSO/DSO when I become ill enough to miss classes. Students who have emergencies or medical conditions that happen unexpectedly and keep a student from attending classes must be able to document these problems as soon as they occur. The PDSO/DSO cannot help any student who does not report medical conditions or other emergencies after a week or two of any given event.
- I understand that I must notify PDSO/DSO of any change of address, telephone number, or e-mail address within 10 days of the change.
- I am solely responsible for making sure that my visa documents are current and in order-including the expiration date on my I-20-and for providing this office with copies and changes, such as new I-94 card and updated visa.
- I am solely responsible for the timely submission of all my documents to UCIS. The PDSO/DSO will assist students in preparing the documents, but students are ultimately responsible to mail them to the USCIS.
- I must consult the PDSO/DSO at least two weeks prior to any travel outside the United States. It is my responsibility to have my I-20 signed prior to leaving the country.
- I will not take vacation time during any academic term without the approval of both my instructors and the PDSO/DSO of Wilmington University.
- The F-1 student visa is not a work visa, and my opportunities to work are very limited. I understand that I cannot work without the permission from USCIS. I will refer to the PDSO/DSO for assistance in this matter.
- I will notify the PDSO/DSO in a timely manner of any change, or intention to change, my visa status.
- The F-1 student visa is not a work visa, and my opportunities to work are very limited. I understand that I cannot work without the permission from USCIS. I will refer to the PDSO/DSO for assistance in this matter.
- I will not engage in any activity that might endanger my visa status. Examples of these activities include committing, or helping to commit, a crime or illegally working.
- I understand that all documents submitted to Wilmington University become the property of Wilmington University and cannot be returned. Please submit only the required documents listed on the document check list of the application. All other documents are not considered for the admission process and cannot be returned.
- I understand that per USCIS regulations, I am only allowed to take no more than an equivalent of 3 credits of online studies per semester while enrolled full time in the program of study.
