DONOR HONOR ROLL

THANK YOU MESSAGE
From Wilmington University President

DONOR RECOGNITION

THE WILMINGTON UNIVERSITY ANNUAL FUND

"Over the years during our active employment we supported the Annual Fund at Wilmington University utilizing the Educational Gift Matching Program.

This allowed us to triple our donations because our employers matched our contributions.

Now as retirees we will continue our support as our way of giving back and saying '*Thank you, Wilmington University*' for the enriched lives we have today through our college educations."

— Patrick (B.B.A. in Business Management) and Tina Fisher

Dear Friends, Alumni and Supporters,

These are very challenging economic times in which we find ourselves. The fact that so many of you have chosen to support our Annual Fund in a difficult economy is all the more gratifying. All of the funds that you have donated will be used directly for scholarships and other benefits for our students. Because of your generosity, many students will fulfill their dreams of obtaining a university degree.

Thanks to your support, an additional \$31,000 will be disbursed in scholarships and other benefits for our students this year. It is always a pleasure to see so many of you out in the community and an even greater pleasure when you share your Wilmington University stories with me and express your gratitude for the education you received. You are our leaders in business, criminal justice, nursing, technology and government, and we value your thoughts as well as your support. When you contribute to the future of the students at Wilmington University, you are not only investing in their future, but in the future of the region as well.

Thank you for joining all of us at Wilmington University in our commitment to quality education through excellence in teaching, relevancy of the curriculum and individual attention to students as we continue to offer the opportunity for higher education to students of varying ages, interests and aspirations.

Sincerely,

Dr. Jack P. Varsalona

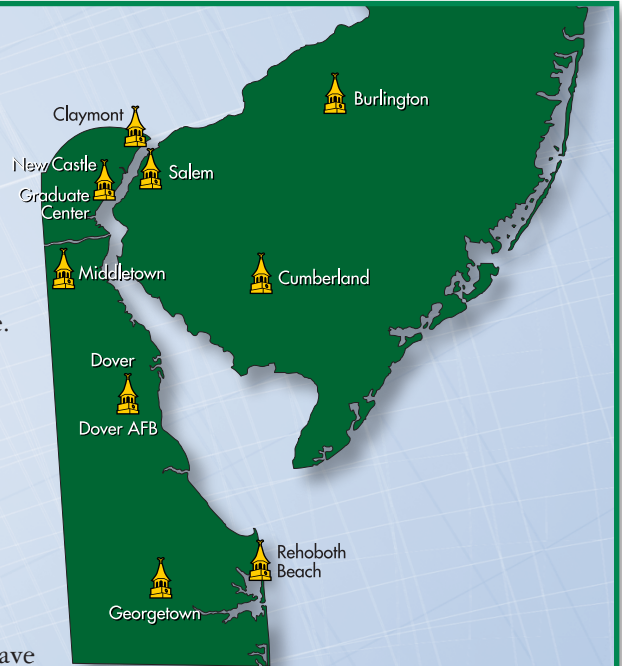

President

YOUR UNIVERSITY IS GROWING!

Since its humble beginnings as a commuter college in 1968, Wilmington University has seen tremendous growth and change. The University, which was once a college, now has 11 locations in Delaware and southern New Jersey and serves a student body of over 12,500.

Students can choose from 29 undergraduate degrees or 27 graduate degrees in a variety of different programs. Many students who attend Wilmington University are attracted to the flexible schedules, which allow students to take courses in the evening, during the day, online or on weekends. Students now have the opportunity to take 14 programs completely online. **Ten programs are offered at the undergraduate level and four are at the graduate level.**

The graduating class of 2009 consists of 2,083 degree recipients. Additionally, Wilmington University welcomed over 27,000 alumni in 2009, a number that continues to rise.

DONOR HONOR ROLL

On behalf of our students, faculty, and staff, we thank all of our alumni, friends, and corporate supporters who contributed to the annual fund for the fiscal year of 2008/2009 that provided scholarships and other benefits for our students.

“When I graduated from Delaware Technical and Community College in 2008 with an A.A.S. in Computer Information Systems, I felt that my options for affordable education were limited. Then Wilmington University provided me with something I thought no other college in the state would. As a member of the first graduating class of SEED students, Wilmington University gave me the opportunity to earn my bachelors degree at no cost.”
