WILMINGTON UNIVERSITY  
COLLEGE OF ARTS AND SCIENCES  
BASIC COURSE INFORMATION

COURSE TITLE: The Art of Photography  
COURSE NUMBER: ART 245

I. RATIONALE:

The visual image continues to impact society. The art of photography as visual communication is important in our 'information' society.

II. COURSE OBJECTIVES:

The student will be able to:

1. Developing creative capacities (writing, inventing, designing, performing in art, music, drama, etc.)
2. Gaining a broader understanding and appreciation of intellectual/cultural activity (music, science, literature, etc.)
3. Demonstrate the basic mechanics of the camera.
4. Produce a photographic image.
5. Recognize the basic principles of composition and photographic interpretation.
6. Survey the history and major themes in photography.
5. Summarize the works of major photographers of the past and present.
