WILMINGTON UNIVERSITY  
COLLEGE OF TECHNOLOGY  
BASIC COURSE INFORMATION

COURSE TITLE: Computer Presentations  
COURSE NUMBER: BCS 307

I. COURSE OBJECTIVES:

Each student will:

1. Expand on students’ fundamental person computer understanding to attain proficiency in presentation software.
2. Develop an in-depth working familiarity with presentation software through utilization of Power Point features.
3. Acquire an in-depth working familiarity with multimedia equipment for interaction between hardware and presentations software.

II. CLASS PARTICIPATION:

Students are expected to attend class and participate actively and in a positive way. Questions and relevant observations are encouraged and enrich the experience of the entire class.

Computers in the classrooms are intended to be used as tools to enhance the students' learning experience. Instant messaging, gaming, emailing, and surfing the web are distractions to the student, the surrounding students, and the instructor and constitute inappropriate behavior. Students are ethically obliged to avoid these and similar practices.
