I. PROGRAM ATTRIBUTES, COLLEGE OF EDUCATION

This course is structured to reflect the eight essential program attributes described in the College of Education Conceptual Framework. This conceptual framework was developed and adopted by the College of Education in 1998, and involved collaborations with college faculty, other institutions of higher education, state agencies, the business/commercial community, and preK-12 partner schools. The framework is driven by the mission of Wilmington College; reflects national standards advocated by ISLLC, INTASC, NCATE, and NASDTEC; and integrates Delaware standards for teachers and administrators. The framework document fully explicates each attribute. The complete framework can be accessed at:

http://www.wilmu.edu/education/clinicalstudies/conceptframework.html

Programs within the College of Education:

1. are knowledge-based (including content knowledge, theoretical knowledge, propositional knowledge, and craft knowledge);
2. view educators as learners;
3. are contextually and culturally sensitive;
4. feature extensive field experiences and authentic collaboration;
5. stress inquiry, analysis, reflection, and professional growth
6. are developmental, flexible, and allow for experimentation;
7. are standards-driven; and
8. promote the effective use of technology.

II. ISLLC-BASED PROGRAM COMPETENCIES

The effort to craft a model program for school leaders was a project of the Council of
Chief State School Officers in partnership with the National Policy Board for Educational Administration. The standards were adopted as Delaware’s School Administrator Standards in 2002, and adopted as Wilmington College MED School Leadership Program Competencies during the Spring Semester 2003. The standards can be accessed at http://www.ccsso.org/content/pdfs/isllcstd.pdf.

   In the College of Education, faculty *must* approve all requests for exceptions to the University/College policy. Vacations are not considered to be legitimate reasons for missing classes. Faculty must be contacted prior to class in all cases except valid emergencies. Failure to obtain approval for exceptions may result in lowering the final grade or assigning a FA (failure due to absence). Students who have registered for a course and never attended at all will receive a grade of NA (never attended). Early departures and late arrivals will be cumulative toward class absences. It is the student’s responsibility to obtain and complete assignments on the due dates.

V. **Structured External Assignment**

   Design communication strategies and products that (a) enhance communication among all school stakeholders, (b) promote a shared vision of teaching and learning, and (c) improve public relations for an individual school or school district.
