COURSE TITLE: Diversity in the Workplace

COURSE NUMBER: MGT 7667

I. COURSE OBJECTIVES:

Each student will:

1. Gain an appreciation for diversity among individuals.

2. Demonstrate a dimension of cultural diversity and the attendant perceptions and stereotypes.

3. Demonstrate an awareness of values in a culture such as power distance, uncertainty avoidance, individualism, and masculinity.

4. Gain a perspective of managing an organization with all of the elements of diversity in it: race, religion, male/female, and country of origin.

5. Demonstrate a critical thinking pattern when faced with a diverse organization.

6. Demonstrate a in-depth knowledge of diversity through oral and written communications.
