WILMINGTON UNIVERSITY
COLLEGE OF TECHNOLOGY
BASIC COURSE INFORMATION

COURSE TITLE: Black & White Photography
COURSE NUMBER: TEC 235

All courses are open to students from all divisions. Only where a course is preceded by an introduction course is there a need to observe a prerequisite. However, students might benefit from prior knowledge on some of the courses, and this is given as the content found in your course catalogue by course code.

EQUIPMENT REQUIRED FOR THIS COURSE:

Cameras will be provided during class sessions.

MATERIALS:
A supply list will be handed out at the first class meeting.

I. MAJOR INSTRUCTIONAL GOALS
(Instructor may add goals to be included in the Basic Course Information)

GOAL A: Demonstrate an understanding of the fundamental principals of black and white photography

Learning Objectives: The student will:
A-1 Operate photographic equipment and distinguish between the capabilities of a wide range of equipment currently in use
A-2 Compare and distinguish between features and properties of various camera and dark room equipment and materials

GOAL B: To develop technical skills that will enable the student to produce artistic images

Learning Objectives: The student will:
B-1 Identify lens aperture and shutter speeds as appropriate to a given setting
B-2 Demonstrate proficiency in processing film manually and printing on an enlarger

GOAL C: To demonstrate an awareness and appreciation of art and design

Learning Objectives: The student will:
C-1 Discuss images within the context of composition, lighting and perspective
C-2 Apply those concepts to their photographic work

II. CLASS PARTICIPATION:

Students are expected to attend class and participate actively and in a positive way. Questions and relevant observations are encouraged and enrich the experience of the entire class.

Computers in the classrooms are intended to be used as tools to enhance the students' learning experience. Instant messaging, gaming, emailing, and surfing the web are distractions to the
student, the surrounding students, and the instructor and constitute inappropriate behavior. Students are ethically obliged to avoid these and similar practices.

**External Storage Requirement:**
Students are required to supply their own external storage (ie., SD card, external hard drive, etc.) See Course Blackboard for instructor’s directive for your course. Memory cards are NOT supplied with cameras and video equipment.
