WILMINGTON UNIVERSITY  
COLLEGE OF TECHNOLOGY  
BASIC COURSE INFORMATION  

COURSE TITLE: TV Studio and Location Lighting  
COURSE NUMBER: TEC 305  

All courses are open to students from all colleges. Only where a course is preceded by an introduction course is there a need to observe a prerequisite. However, students might benefit from prior knowledge on some of the courses, and this is given as the content found in your course catalogue by course code.  

I. MAJOR INSTRUCTIONAL GOALS:  
( Instructor may add goals to be included in the Basic Course Information)  

GOAL A: To understand the basic skills of video lighting.  

Learning Outcomes: The student will:  

A-1. Describe the technical operation of lighting equipment.  
A-2. Describe the basic applications of lighting in video production.  

GOAL B: To understand how to enhance an image’s values through lighting.  

Learning Outcomes: The student will:  

B-1. Distinguish between techniques of how emotion and emphasis is conveyed through lighting.  
B-2. Identify how to best apply lighting in a variety of realistic working situations.  

GOAL C: To gain critical ability in analyzing the work of others.  

Learning Outcomes: The student will:  

C-1. Distinguish between techniques used in film and video, then  
C-2. Propose reasons on how to emulate and improve upon those techniques.  

II. CLASS PARTICIPATION:  

Students are expected to attend class and participate actively and in a positive way. Questions and relevant observations are encouraged and enrich the experience of the entire class.  

Computers in the classrooms are intended to be used as tools to enhance the students' learning experience. Instant messaging, gaming, emailing, and surfing the web are distractions to the student, the surrounding students, and the instructor and constitute inappropriate behavior. Students are ethically obliged to avoid these and similar practices.
**External Storage Requirement:**
Students are required to supply their own external storage (ie., SD card, external hard drive, etc.) See Course Blackboard for instructor’s directive for your course. Memory cards are NOT supplied with cameras and video equipment.
