WILMINGTON UNIVERSITY
COLLEGE OF TECHNOLOGY
BASIC COURSE INFORMATION

COURSE TITLE: Advanced Photography II: The Portfolio
COURSE NUMBER: TEC 470

All courses are open to students from all colleges. Only where a course is preceded by an introduction course is there a need to observe a prerequisite. However, students might benefit from prior knowledge on some of the courses, and this is given as the content found in your course catalogue by course code.

Equipment required for this course:

Digital cameras will be provided during class sessions. A personally owned digital camera with manual functions would be helpful for outside assignments.

I. MAJOR INSTRUCTIONAL GOALS
(Instructor may add goals to be included in the Basic Course Information)

GOAL A: To prepare the student for a career in the field of photography
Learning Outcomes: The student will:
A-1 Discuss the various genres of the field
A-2. Learn business aspects including tax information, billing statements, resume preparation, legal issues and ethics
A-3. Work with the instructor to design an appropriate course of study

GOAL B: To prepare a package of images to present to prospective employers or art curators
Learning Outcomes: The student will:
B-1. Learn to edit their images to suit their desired genre
B-2. Continue perfecting their craft and exploring the boundaries of the medium
B-3. Learn to discuss their work using the language of the craft
B-4. Study the options for creating a presentation and learn the technical skills to create that package

II. CLASS PARTICIPATION:

Students are expected to attend class and participate actively and in a positive way. Questions and relevant observations are encouraged and enrich the experience of the entire class.

Computers in the classrooms are intended to be used as tools to enhance the students' learning experience. Instant messaging, gaming, emailing, and surfing the web are distractions to the student, the surrounding students, and the instructor and constitute inappropriate behavior. Students are ethically obliged to avoid these and similar practices.
**External Storage Requirement:**

Students are required to supply their own external storage (ie., SD card, external hard drive, etc.) See Course Blackboard for instructor’s directive for your course. Memory cards are NOT supplied with cameras and video equipment.
