Consortium Agreement: An agreement between the student, the degree granting institution (Wilmington University) and the visiting institution to allow the financial aid office at the degree seeking institution (WU) to consider the credits at the visiting institution when processing financial aid. A student must complete a consortium agreement for each term/semester.

Parent Institution: Wilmington University

Visiting Institution: The institution offering course work to degree seeking students of the parent institution.

Student: A degree seeking student admitted at the parent institution but taking course work at the visiting institution under this agreement.

The parent institution will accept credits taken at the visiting institution for course work applicable to a degree granted by Wilmington University. A student enrolled either partially or wholly at the visiting institution is entitled to evaluation and receipt of all Title IV student financial assistance from the parent institution. Wilmington University agrees to determine eligibility for and disburse student financial aid funds to the student. The student is then responsible for paying all fees to the visiting institution and to Wilmington University. A student is eligible to receive Title IV financial assistance only from the parent institution.
