Electronic Databases

The Library provides access to education journal articles via print and online research databases. From off campus simply visit the [Library homepage](#) and click on 'Electronic Databases' beneath the 'Research' category. Once a database is chosen from the list, you will be prompted to login to your Blackboard account. Then you will be taken directly into the database you have chosen.

The following databases are recommended for Technology research:

- **Academic Search Premier**
- **Access Science**
- **Business Source Complete**
- **Communication & Mass Media Complete**
- **Company Profiles**
(from Business Source Complete)
- **Computers & Applied Sciences Complete**
- **CQ Researcher**
- **Library, Information Science & Technology Abstract (LISTA)**
- **Regional Business News**
- **Sage Journals Online**
- **Security Management Practices**
