What is an Advisor?

For each of our student organizations at Wilmington University, being an Advisor may mean very different things. You could assume numerous roles and become very involved with your group. Some examples of roles you may fill are: Mentor, Team Builder, Conflict Mediator, Educator, Motivator and Policy Interpreter.

You may, however, decide to be “hands off” and allow your students to lead the organization. By guiding students and allowing them to take on challenges, you help them to grow while allowing them to make decisions and mistakes on their own.

Ultimately agreeing to be an advisor you are accepting responsibility for the development of the students you oversee and the organization you assist. In addition, it is your responsibility to inform the students of policies and procedures that have been put in place to promote the progress of the University as a whole.

Student Life Mission: The purpose of the Student Life division is to provide student services that will enhance student learning and develop the student as a whole. We will expose students to social, cultural, and co-curricular programs that will promote student learning, personal growth and opportunities to connect with other students. Our department will operate as a cohesive group where professionalism and respect for each other is vital.

We are dedicated to collaborating with other key stakeholders of the University, an essential support group to enhance the student experience. We are passionate about making our students’ college experience a positive one and are committed to consistently improving services to ensure programs are at the highest quality possible and which meets our diverse students’ needs. Innovation, higher education best practices, and care and concern for students will be guiding principles for our operations.
ROLE OF THE ADVISOR

- Must be a staff member or faculty of Wilmington University
- Must be present at all events, activities, and trips. If the advisor is not able to attend, it is their responsibility to designate another chaperone (full-time employee of Wilmington University) or the event, activity, or trip must be cancelled.
- Must be aware of all organization meetings. During meetings, advisors must be available if students have any questions or concerns.
- Liaison to the Office of Student Life (OSL). The advisor must communicate regularly with the Office of Student Life regarding events, activities, and fundraising.
- All events and fundraising activities must be approved through the OSL. Requests for events and fundraising activities should be submitted one month in advance and proper documentation must be furnished for all.
- Monitor/approve treasurer’s report and minutes of every meeting.
- Keep a file of pertinent information regarding the organization such as minutes, treasurer’s reports, by-laws, current member list, etc.

“The rung of a ladder was never meant to rest upon, but only to hold a man’s foot long enough to enable him to put the other somewhat higher.”
Thomas Huxley
RECRUITING MEMBERS

Without members, there would be no organization! This makes recruiting one of the most significant activities your group participates in. So, what are the keys to making your group successful and highly participatory?

“In the great mass of our people there are plenty of individuals of intelligence from among whom leadership can be recruited”

Herbert Hoover

Successful Recruiting

Recruitment should be:

✔ Personal
✔ Specific
✔ Meaningful
✔ YEAR ROUND
✔ The responsibility of all of the members

How do you Make Recruitment Personal?
Know your group and its purpose. What is the passion behind the group? What are the ambitions and goals of the group? Define who you are and who you want to be and that will make it easier to “sell” your group to perspective members.

How do you Make Recruitment Specific?
Knowing who you want to be a member of your group will help you as well. We have an extremely diverse population here at Wilmington University that offers a wide variety of personal interests and needs. Analyze different characteristics of members (major, interests, age, etc.) and target that group of students.

How do you Make Recruitment Meaningful?
The activities and involvement of the students should be both beneficial to the members as well as the organization.

Make Recruitment Year Round
We cannot stress enough the importance of making recruitment year round. With semesters and blocks starting and ending so many different times throughout the year, we are constantly seeing new faces. It is important to make sure students hear about your organization throughout the year and even in the summer! Ensure your club participates in the Ice Cream Social, as well as New Student Orientation, to increase recruitment efforts.

How do you Make Recruitment the Responsibility of all Members?
Word of mouth is the best recruitment tool you have; why not use all the assets in your group? Have members tell friends and peers about the group and even host “bring a friend” meetings. It is also important for all of your members to understand how important it is to make new members feel welcomed. Everyone wants to feel like he or she belongs.
What is Team Building?

“When a team in an organizational development context embarks upon a process of self-assessment in order to gauge its own effectiveness and thereby improve performance it can be argued that it is engaging in team building, although this may be considered a narrow definition.” (Wikipedia)

The process of team building includes:

- Clarifying the goal and building ownership across the team.
- Identifying the inhibitors to teamwork and removing or overcoming them, or if they cannot be removed, mitigating their negative effect on the team.

To assess itself, a team seeks feedback to find out both:

- Its current strength as a team.
- Its current weakness.

To improve current performance, a team uses the feedback from the team assessment in order to:

- Identify any gap between the desired state and the actual state.
- Design a gap-closure strategy.

Points to Enhance Team Effectiveness

- Determine a specific team goal
- Learn the strengths of each team member
- Clarify group expectations and discuss University policies
- Identify barriers that may keep the team from achieving its goals
- Use effective communication skills
- Develop a plan to accomplish the goal
- Put the plan into action
- Evaluate the plan and the procedure
RETAInING MEMBERS

In order to retain members your group will need to acquire member loyalty, interest, and best effort. One of the best ways to do this is by giving your members a sense of belonging. Letting all members know that they are welcome and needed by allowing them to be part of your planning and execution of objectives will help them feel respected and appreciated.

Communication is also an important element in retaining members. By being upfront with students about goals, objectives and policies you give members important tools. They will be able to decide if the group values are consistent with their own and how they will contribute to the total outcome of the group.

As with recruiting, retention should also be an ongoing objective for your group. Current members of your organization that drift away take with them good experiences or leadership that could benefit your group. Keep seniors involved by remembering that their goals have changed from when they first joined so the organization needs to be sensitive to that.

The Key to Retaining Members: Information

Make sure to give your members all of the information they need to develop into full functioning team members. It is important to establish rules and recognize policies to set standards for your organization early on. This will minimize “surprises” for members and give them both boundaries and goals.

**Easy Ways to Boost Member Morale**

- Offer feedback
- Provide a sense of unity
- Compliment good work
- Initiate recognition (Press releases, awards)
- Initiate social interaction
- Allow for new challenges
GUIDELINES FOR STUDENT ORGANIZATIONS

All student organizations fall under the Student Government Association (SGA). If interested in beginning a club, holding an interest meeting is the first step. Bring a sign-in sheet which documents the students who attended the meeting.

In order for a group of students to be recognized as an organization under SGA auspices, the club must submit an application (Attachment G) to the Senior Director of Career Services and Student Life stating:

A. Proposed name of the student organization
B. Purpose and mission of the organization
C. Requirements for membership. If the organization will be a chapter of a national organization, you must include charter guidelines as well.
D. Details of the interest meeting, including the sign-in sheet with at least five student signatures.
E. Meeting times
F. Name of the advisor (required), and his or her approval of the organization. The advisor must be a staff or faculty member of Wilmington University.

The Senior Director of Career Services and Student Life will review the proposed student organization’s application. All applications will be reviewed but subject to approval. If the organization is approved, it becomes an officially chartered organization of the WU Student Government Association.

You must have written approval from the Office of Student Life prior to formation of the club. The advisor of the new organization will receive notification from the Office of Student Life no later than 1 week from the date in which the application is submitted.

All new organizations will have a 60 day probationary period immediately following the approval of the club. There must be a minimum of at least 5 members (comprising of students currently enrolled at the University) to officially maintain charter status. Within this 60 day period, the organization must submit the following:

1. List of all members
2. Club’s executive board including their office position (President, VP, Secretary, and Treasurer)
3. By-laws
4. Meeting times, dates, and locations

All student organizations must abide by the Guidelines for Student Organizations and all University policies. Failure to do so could result in disciplinary action, including disbandment of the club.
GUIDELINES FOR STUDENT ORGANIZATIONS

In order to maintain chartered status, organizations must be comprised of at least 5 currently enrolled students at the University of which two students must hold positions on the Executive Board (President and Secretary). Furthermore, each organization must maintain at least a President and a Secretary. Finally, organizations are also required to submit Club/Organization Information Form (see attachment H) by October 30th of each academic year.

A chartered organization of the Student Government Association (SGA) is responsible for having a representative report to the Executive Board at least once a month. The SGA advisor will inform all active organization about meetings information at least three weeks in advance.

If an organization is going to have dues, raise funds, levy fines against its members, make expenditures, etc., the treasurer will be responsible to track these funds and a report must be given at each monthly SGA meeting.

Minutes must be recorded for each student organization meeting and distributed to all members and the advisor. The Secretary should be responsible for keeping all minutes throughout the year.

Students must follow the Wilmington University Code of Conduct (see Student Handbook – www.wilmu.edu/studentlife/handbook) at all official University and organization sponsored events.

To disband an organization due to lack of members or funds, notice of the circumstances must be given to the Senior Director of Career Services and Student Life by the Advisor of the said organization. All funds and real property purchased by the organization will be held in escrow for a period of no less than twelve (12) months, and then becomes the possession of the SGA. The organization will be responsible for all debts it incurs.

In the event that an organization disbands, it must re-file for charter before it is again recognized by the SGA.
ACTIVITIES OR EVENTS

All activities, trips, or events must be cleared through the Office of Student Life.

The Student Travel Approval form (Attachment A) must be submitted for each trip at least two weeks prior to departure. The Student Activities: Event Approval Form (Attachment G) must be submitted at least one month in advance. Additionally, any flyers for meetings and events must be submitted to Student Life for approval.

Obtain emergency contact information on every person attending the trip and leave with someone that is not traveling with the group. See attachment B for a sample.

Read over the Transportation Policies and make sure that the Student Emergency Contact Sheet and Group Trip Itinerary are filled out. See attachment E for a sample.

Do Your Paperwork Now to Make Next Year Easier!

After an event, evaluate and follow up, request feedback from staff and attendees. Schedule a follow up meeting to discuss what went well and areas of improvement.

Giving Back

We highly encourage each organization to participate in at least 25 hours of community service each school year. To submit your event form, participate in or help with scheduling community service events, please contact Alice Miller at alice.k.miller@wilmu.edu or at 302.356.6966. All club community service opportunities will be posted on the ADC online calendar.

Tips for Planning Successful Events/Activities

- Plan an initial meeting with the event committee.
- Choose a date. Have at least two (2) dates in mind: a preferred date and a just-in-case alternative date. That way, when you start checking out available facilities, you’ll be able to choose the best option. Be sure to factor in national and religious holidays, school vacations, and semester breaks.
- Select a location.
- Apply for and be sure to have written confirmation of approval from the Office of Student Life.
- Determine your audience—Students, Faculty, Staff, Alumni and/or Off-Campus Guests.
- Determine a realistic expectation of the number of people who will attend the event. Requiring RSVPs is a great way to determine a more accurate number of attendees.
- Identify one person who will be the main contact for the event.
- Develop a detailed preliminary agenda. Be sure to include a timeframe of the various components of the event.
- Promote your event. Advertise the event through flyers, website, bulletins, video messaging TVs, Calendar of Events, word-of-mouth etc.
- Reconfirm Everything! A couple days prior to the event take some time to reconfirm everything.
All fundraising activities must have approval from the Office of Student Life. An approval form (attachment J) must be submitted one month in advance for each fundraising activity. Approval must be granted to ensure the activity doesn’t violate any University policies.

All required monies for any trips or activities, including those that require fundraising, must be deposited and be available at the time of the trip departure. No trips will be approved unless all required funds have been deposited by the predetermined deadline.

All checks must be made payable to Wilmington University and mailed to the University address. All money raised will be deposited into the Student Activities account and earmarked for the particular club. No outside accounts may be kept for any student club/organization.

Student Transportation Policies and Procedures

Introduction

The safety of our students at Wilmington University is very important. With this in mind, Wilmington University has instituted the following policies and procedures for student travel. All travelers must abide by these procedures; the Student Code of Conduct found in the Student Handbook (located online at www.wilmu.edu/studentlife/handbook) as well as all local, state and federal laws.

This document addresses the travel of Wilmington University student-athletes, student related academic (instructional) travel, and all other student travel. Section I of this document is focused upon non-athletic student travel; Section II addresses student-athletic travel; and Section III provides information about the forms necessary to be completed for student travel.

II. Student Athlete Travel

Travel by student-athletes must be approved through the Director of Athletics. The Student Travel Approval Form will only need to be completed for any overnight trips that are for non-conference games and must be submitted at least two weeks before the trip.

Student-athletes may be permitted to use their personal vehicles for local travel to University sponsored athletic related trips which include practices and contests with the approval of the Associate Athletic Director. Student-athletes who are permitted to drive themselves must follow the procedures listed under Section IV; however, they are limited to driving no more than 100 miles round trip from the Athletics Complex or New Castle Campus. For any trip in which the University is providing transportation, student-athletes are required to travel with the team both to and from the destination. For ground
transportation or air travel, please refer to the policies and procedures in sections III-V. All athletic travel must be booked through the Associate Athletic Director.

III. Student Travel Forms

Prior to all student travel, the appropriate forms are to be completed as outlined below. All forms are to be kept on file within the appropriate departments.

Right To Cancel – All travelers must understand that Wilmington University reserves the right to cancel a trip at any time prior to departure in the case of inclement weather or other emergencies. Additionally, Wilmington University reserves the right to cut short the trip should exigent circumstances arise. In the event that the trip is cancelled, fees not covered by trip cancellation insurance will be refunded by the institution.

IV. Use of Student Vehicles for Transportation on University Sponsored Trips

Students may be permitted to use their own private vehicles to drive to a University-sponsored event involving local travel. Use of private vehicles beyond 250 miles must be approved ONLY by the appropriate University administrator (Academic Program Chair or, Director of Athletics or, Senior Director of Career Services & Student Life).
The driver must have a valid driver’s license; up-to-date registration, insurance and inspection certificate (as applicable); at least two years of driving experience; and a good driving record. Driving records should not contain the following:

1. More than 6 points;
2. Any major violations (DUI, reckless driving charges, driving with excessive speed, hit and run, driving with a suspended license, fleeing a police officer vehicular homicide, etc.);
3. Two citations for a moving violation within the last 12 months;
4. Two accidents within the last 12 months where driver was at fault or contributory;
5. One accident where the driver was at fault or contributory and one moving violation within the last 12 months; OR
6. Any citation for blood alcohol content within the last 12 months. Cases not yet resolved in the courts will be considered grounds for temporality denying permission.

Drivers must abide by all traffic laws, including but not limited to, wearing a seatbelt at all times. The number of travelers per vehicle may not exceed the total number of functional seat belts in the vehicle. In addition, drivers are not permitted to email, text, or otherwise use computers or other forms of technology. However, drivers are permitted to use a telephone but only in a hands-free mode subject to good judgment and safety precautions.

If choosing to drive, drivers assume all risks associated with driving and agree to hold Wilmington University harmless from any and all accidents or problems that may arise in the course of such travel. In the event a driver is involved in an accident in his/her personal vehicle, the driver is responsible for loss or damage to the vehicle and any bodily injury or property damage to others they may cause, and is expected to maintain appropriate insurance covering damage, liability, and medical costs.

Drivers will be responsible for all fuel, parking, and toll charges as well as any related fines or driving citations.

V. Guidelines for local travel

- The instructor/group coordinator informs students in a timely manner of the location, the time and date of the trip.
- The instructor/group coordinator is not to be involved in the formation of any car pools.
- The instructor/group coordinator should not transport any students in his/her private or University automobile.
- The student is responsible for their own travel expenses.
- The driver may not drive more than two hours without taking a break.

Drivers shall not consume alcohol 24 hours prior to departure or during travel. Medications that cause drowsiness should not be taken in the 12 hours prior to departure or during travel. Any and all illegal drug use is prohibited.
VI. Guidelines for Professional Carriers (Chartered Bus, Airline, Train, etc.)

Students should travel by the most appropriate means. When professional carriers are used, round-trip tickets must be obtained unless valid reasons are presented for other arrangements. Once the company has been booked, a copy of their insurance information will be requested and kept on file in the proper office.

Air Transportation

Air travel should be the most direct route, by coach class and at the lowest available fare provided that the fare does not result in (1) greater total cost due to increased costs for meals and/or lodging, or (2) undue hardship to the student. The student is expected to make his/her travel arrangements at the earliest possible date in order to take advantage of available discount fares. The student is responsible for complying with airline regulations concerning cancellation and for avoiding the penalties associated with them, unless the situation results from circumstances beyond the student's control (purchasing trip insurance is encouraged).

Miscellaneous Ground Transportation

Trains and buses are acceptable means of transportation. In cases of long distances, time considerations are often restrictive. Travelers should use coach class unless pre-approved by the appropriate vice president or their designee.

Taxi, bus, and limo service should be given preference whenever available and economical. Taxi trips are acceptable when necessary to and from airports.

VII. Use of Rented Vehicles While on University Trips

In some cases, teams or groups may need to rent vehicles for University trips. Prior approval from the appropriate administrator is required. In these cases, the following policies and procedures must be followed.

Only paid University faculty or staff members who are over the age of 25 may drive the rented vehicles. No vehicles may be rented that are larger than a “12 passenger van”. Drivers should obtain auto insurance through the rental company.

The driver must have a valid driver’s license; up-to-date registration, insurance and inspection certificate (as applicable); at least two years of driving experience; and a good driving record. Driving records should not contain the following:

7. More than 6 points;
8. Any major violations (DUI, reckless driving charges, driving with excessive speed, hit and run, driving with a suspended license, fleeing a police officer vehicular homicide, etc.);
9. Two citations for a moving violation within the last 12 months;
10. Two accidents within the last 12 months where driver was at fault or contributory;
11. One accident where the driver was at fault or contributory and one moving violation within the last 12 months; OR
12. Any citation for blood alcohol content within the last 12 months. Cases not yet resolved in the courts will be considered grounds for temporality denying permission.

At least two weeks prior to departure, drivers must provide a certified copy of their driving record (employees will be reimbursed for the cost of the report) to the appropriate administrator. Driving records will be valid for a period of six months. Driving records can be obtained from the Department of Motor Vehicle:

- Delaware: http://www.dmv.de.gov/
Drivers must abide by all traffic laws, including but not limited to, wearing a seatbelt at all times. In addition, drivers are not permitted to email, text, or otherwise use computers or other forms of technology. However, drivers are permitted to use a telephone but only in a hands-free mode subject to good judgment and safety precautions.

The driver and all occupants in the vehicle must wear safety belts at all times and abide by all local, state, and federal laws. The number of travelers per vehicle may not exceed the total number of functional seat belts in the vehicle.
