This handbook is not meant to be all-inclusive. Since changes can occur to University policies throughout the year, it is strongly suggested you review the online Handbook for the latest updates. If you have questions about the University which are not answered in this handbook, feel free to contact the Office of Student Affairs or any member of the faculty or staff.

Sincerely,

Dr. LaVerne T. Harmon

TERMS FOR NEW STUDENTS

Accelerated / Fusion classes meet either the first, middle, or last 5 weeks of the semester. Classes meet for 4 hours each week. In addition there are 20 hours of online instruction. Students must be approved for participation in the accelerated courses by the Program Chair.

Adjunct faculty are “Scholarly Practitioners” who are often employed in the field in which they teach. They do not have offices on campus. All adjunct faculty are expected to provide contact information for students on their course syllabus.

Block classes meet either the first 7 weeks of the semester or the last 7 weeks of the semester. Block classes meet once each week for 5 hours.

University Information Center (UIC) is the place to contact for all of your general questions or issues. You can reach the UIC by phone at 302-356-4636 or 877-967-5464, by email at infocenter@wilmu.edu, via chat through Wilmington University’s Contact Us webpage or in person on the first floor of the DAC Building.

Course ID# indicates the name of the course, the site, the section, and format that the course is being taught.

Example: PSY 101 SEN 01
Psychology 101 Semester New Castle Section

Distance Learning (DIS) refers to online courses where all learning activities are conducted using the internet. There will be no on-location meetings with the instructor or other students enrolled in the course.

Academic Dean — There are 6 Academic Deans at Wilmington University. Each is responsible for the academic programs (both undergraduate and graduate) within his/her College. The Colleges at Wilmington University include: Arts and Sciences, Business, Education, Health Professions, Social and Behavioral Sciences, and Technology.
**Drop/Add** is a period of time in which a student may be removed from a course and be refunded the cost of the course. Students should make themselves aware of these dates for each new semester and each course format. Drop/Add is completed at the Registrar’s Office, through WebCampus, fax, mail, or any site office.

**Faculty Advisor** is a representative of an academic College who serves to advise students on issues specific to his/her major. A faculty advisor may also oversee a club or organization of the university.

**Full-time/Part-time status** is determined by the number of courses attempted during an academic semester. Twelve or more credits within a semester is considered to be full-time for an undergraduate student. Nine or more credits within a semester is considered to be full-time status for a graduate student.

**GPA refers to Grade Point Average.** It is a calculation based on the number of credits a student attempts to complete and a numeric value awarded for each grade. GPAs are used to determine academic standing and eligibility for academic, athletic, and financial aid opportunities.

**Graduate work** refers to either a Master’s degree or Doctorate degree level.

**Hybrid courses (HYB)** are a combination of in-class teaching and online learning. This creates an active independent learning environment and reduce class time for today’s working student.

**Modular classes** at Delaware sites meet over the course of two weekends in one month. For Example: An October Modular class might meet October 7-9 and 21-23. From 5:30 p.m. to 9:30 p.m. on Fridays and 9 a.m. to 5 p.m. on Saturdays and Sundays. New Jersey modular classes meet on three consecutive two-day weekends, Friday evenings and Saturdays 9 a.m. to 5 p.m. Students must check online for exact dates and times.

**Pre-requisite** is course work or academic status that should be fulfilled in preparation for higher level work/internship/alternative course work. Pre-requisites must be completed prior to beginning the higher level course requiring the pre-requisite.
Prior Learning Assessment (PLA) — The University allows students to obtain academic credit for learning that has taken place outside the traditional classroom setting. To earn PLA credit students must prepare a portfolio which will be reviewed by a qualified faculty member. See the University Catalog for a more detailed explanation.

Program Chair oversees a specific degree program by regularly reviewing the course requirements for the degree as well as the course content. He/She teaches courses within the degree program as well as hires instructors. He/She provides regular office hours, which allows time to meet with students. Students should make themselves aware of the Drop/Add dates for each new semester and each course format. Withdrawal is completed at the Registrar’s Office.
FREQUENTLY ASKED QUESTIONS (FAQ)

Where can I pick up a course syllabus?
Syllabi are located on Blackboard course sites. Blackboard is a password protected web environment. Syllabi are generally available two weeks before the course begins.

How do I know what classes to take?
Your Academic Advisor can help you with course selection. Sequencing guides are also available from Academic Advising which can help you keep track of what classes you have to take in your program.

Am I required to take any placement exams?
Yes. Skills assessments are required before you can register for English 101 or Math 101, 201 or 205. Some students may be exempt based on SAT scores or if you have transferable credits in English and/or math. To find out if you are exempt, visit the University’s website or contact the Office of Academic Advising or your site office.

Where do I get my Student ID/Library card?
ID cards are issued through the University Information Center on the first floor of the Doberstein Admissions Center (DAC) on the New Castle campus and through the site offices at the other locations. Your ID card is also your library card. Your ID card will also be required when using the College of Technology Open Lab (PEO030).

Can I keep my cell phone on during class?
No. The use of cellular telephones, pagers/beepers is prohibited in the classroom, library, and labs.

Where are my classes held?
Room assignments are posted around the campus and online at www.wilmu.edu/registrar/courselist.
**Will my parents get my grades?**

Many parents may be surprised to learn that they may not have the same access to information about their child that they had in high school. Federal legislation has mandated policies and procedures that colleges must follow. The Family Educational Rights and Privacy Act of 1974 (FERPA), also known as the Buckley Amendment, was designed “to assure parents of students, and students themselves if they are over the age of eighteen or attending an institution of post-secondary education, access to their educational records and to protect such individuals’ rights to privacy by limiting the transferability (and disclosure) of their records without their consent”.

**What is a typical course load?**

You may register for one to six courses (undergraduate per semester, 1-4 graduate courses) without special approval. To be considered a full time undergraduate student you must be enrolled in at least 12 credit hours per semester. To be considered a full time graduate student you must be enrolled in at least 9 credit hours per semester. This is important if you need to be full time for financial aid qualifications.

**What does credit hour mean?**

Each credit hour is a unit of measurement in college. Each course is assigned a particular number of credit hours, depending on the number of times the class meets and the number of clock hours it meets during the semester or block. Three is the most common number of credits for a semester course at Wilmington University.

**What is a transcript?**

A transcript is the official record of your academic history at an institution. An official transcript will have a raised seal.
Do I need a parking permit to park my car at Wilmington University?

No. Parking is free and you do not have to register your car with Wilmington University. At the New Castle Campus and the Wilson Graduate Center parking is often tight. The University invites you to consider some alternative options to avoid frustration:

- Taking some classes in an online format
- Choosing Claymont, Middletown, or North Wilmington for class attendance (Review the course schedule at www.wilmu.edu/registrar/courseoffering/courseoffering.aspx.)
- Carpooling with other students

What is DIS095?

Prior to enrolling in an online or hybrid course, completion of the prerequisite DIS095 is required. DIS095 is FREE of charge and can be completed through Blackboard in approximately 60 minutes.

How do I notify the University if I changed my address?

Students are responsible for filing any change of address or phone number with any administrative office or site which includes Student Financial Services, Admissions, Academic Advising, Registrar, or University Information Center (UIC), and through WebCampus.
I. TIPS FOR STUDENT SUCCESS
Scheduling Your Time
You can begin by setting up an honest schedule of your time. Do it on paper. Write it carefully and put it where you can see it, referring to it daily.

Dealing With Your Days
First review time requirements that must be allocated to daily concrete activities:

- Class
- Work
- “Staying-alive” functions
- Other obligations

Once you have written these, you can survey your week and determine where you can block out your study time.

As an example, a student carrying 12 credits should study about 24 hours a week outside of class to maintain reasonably good grades. Most people putting in a 40-hour work week do so without working after 5:00 p.m. or on Saturdays or Sundays and still have time for outside interests and a social life. You should be able to budget the 168 hours in your week so that you are able to handle an outside job and do things you like, plus invest the necessary amount of time into your education.

What to Remember
Some important ideas for managing your study periods are:

- Study every day at the same time.
- Don’t study one subject too long at a time. If the subject needs more than one hour daily, break up the study-time slots with other activities.
- Study a subject as soon as you can after a course lecture on it. (You forget 80–90% of what you hear within 24 hours unless you reinforce it by studying.)
- If some courses require less study time than others, then schedule half-hour—or even shorter—blocks for them; but study every subject daily. A shorter time each day is more effective than a longer period every other day.

Making It Work
Stick to it! You may find it increasingly difficult for 10 to 12 days to stay with the plan you’ve mapped out for yourself. Sheer willpower is the tool you’ll have to rely on, but the hard work and discipline will pay off, both in your college life now and personal life later. The harder it seems, the more determined you need to get to adhere to the rigid schedule to make it work.
When you feel it’s impossible to follow your schedule, make yourself do it anyway. That’s the “top of the hump,” and once you have reached it, everything gets smoother because your habits have begun to establish themselves.

You can’t simply talk yourself into a habit, and you probably can’t form one just by saying you will. You develop a habit by doing the same thing, in the same way, over and over.

Habits are powerful. You’ll find before long that feelings of comfort and achievement replace the uncomfortable feeling you had from having to force yourself in the beginning. Success will be yours because you were willing to make the necessary sacrifices to “make it” in college.

If your first schedule doesn’t work out for you, change it to suit your situation—but stick to it rigidly after you find you’ve discovered a good one.

**How To Study**

**Reading Your Text**

A textbook “tells” you nothing. You must ask it questions in your mind as you read. Get questions from your instructor, from the end of a chapter, or by changing the headings from statements to questions (i.e., “Causes of the Civil War” to “What causes led to the Civil War?”).

The author most likely worked from an outline when the book was written. It is your job to distinguish the original main points. The system is: Whole—Part—Whole

1. Begin with the assigned chapter.
2. Break the chapter down to the original outline.
3. Tie the main points together.

**Finding the Main Points**

Briefly outline the reading assignment on paper in your own words. Underline the most important elements.

If there’s a summary, read it first, then keep the point that it emphasizes in mind as you read the assignment. Notice the paragraph headings. In fact, scan the chapter and read the paragraph headings before you read the text.

Check for new vocabulary. Learn to use the words.
Taking Notes
Lecture notes can be effective study aids. To take notes well, you must be able to select the main points being made and express them in your own words or, at least, condense the lecturer’s words to insure a short, clear understanding of what’s being said.

Review your notes often. Just before class is a good time because it helps connect the lecture you’ve heard with what you are about to hear. Look at your notes frequently enough to let you see how each lecture relates to the lectures before it and to the larger course units.

Organize
Take notes in an organized way to make their meaning clear.

- Usually, an outline form works best, i.e., conventional outline method.
- Put a definite headline over a group of notes.
- Read or listen until you understand before you put anything down.
- Write complete statements, not topics.
- Don’t try to take down everything.
- Choose thought units by noting paragraph heads or the speaker’s statements of subjects and subtopics, introductory remarks, and summary statements.
- Observe a speaker’s changes in voice and gestures.
- Remember that most lecturers outline their material in their opening remarks.
- Show relationships of statements to each other when arranging your notes.
- If you miss a point, don’t stop then to find out what it was. Check it out later.
- Take notes in permanent form the first time so you don’t need to copy them over.
- Listen carefully.

Beware
You can speed up and simplify your note-taking by staying aware of several “easy-to-fall-into” traps.

- Don’t try to write every word a speaker says.
- Leave out unimportant details, examples, and statistics (unless the lecturer repeats them specifically for your accuracy.)
- Re-word your notes neatly before the facts get “cold”.
• Don’t use abbreviations that you’ll forget later.
• Cross out mistakes and underline vital points as you go. Don’t erase.
• Don’t take too many notes. Select, evaluate, and summarize on the spot. Outline in terms of your understanding and needs.

**Taking a Test**

**Essay**
When your test is in essay form, read all of the questions quickly, then answer the one with the highest point value first. Next, do the question about which you know the most. Work from an outline for all questions. Look for key words: “list,” “discuss,” “fact” and “opinion,” “compare” and “contrast,” “describe”.

**Objective**
Look for specific determinants in objective test questions. “Always,” “never,” and “all” are usually false. “Usually” and “sometimes” are typically true.

**Multiple Choice**
For multiple choice questions, there are generally four possible answers listed. Work from negative to positive; that is: First choice isn’t right; third choice isn’t right; therefore, correct answer must be second or fourth choice.

Narrow your decision to one correct answer. Read the statement given plus one answer at a time, covering all positive choices. This helps eliminate confusion and errors.

**Matching**
When the test involves matching items, decide whether extras are given. Ask yourself whether any answers can be used more than once.
**Terms You’ll See**

- **Compare:** Usually stated as “compare with,” this implies that you should emphasize similarities, although you can mention differences. Examine qualities or characteristics to discover resemblances.

- **Contrast:** Asks you to stress dissimilarities between associated things, qualities, events, or problems.

- **Criticize:** Requests your judgment on the correctness or merit of the factors under consideration. You are expected to give results of your personal analysis and to discuss limitations and strengths of the work in question.

- **Define:** Calls for concise, authoritative meanings. You need not give details but should cite briefly the boundaries or restrictions of the definition. Keep in mind what differentiates the defined term from all others in its class.

- **Describe:** Wants you to recount, characterize, sketch, or relate in narrative form.

- **Discuss:** Directs you to examine, analyze, and state the pros and cons of specific problems or items. You will find this term appears frequently in essay questions. It calls for a complete, detailed answer.

- **Evaluate:** Asks you to appraise a problem carefully, stressing advantages and drawbacks. The term implies expert and—to a lesser degree—personal assessment of positive and negative aspects.

- ** Explain:** Requires that you clarify and interpret what you present. It is best to state the “how” and “why,” reconcile any difference of opinion or experimental results, and give causes where possible. Your aim is to make plain the conditions that lead to what you’re examining.

- **Outline:** Wants you to formulate an organized description, giving main points and essential supplementary ones, omitting minor details. You should set up the information systematically.

- **Relate:** Asks you to describe relationships in your answer, emphasizing connections and associations.

- **Review:** Specifies critical examination. You should analyze and comment briefly in a planned order on the major aspects of the problem.

- **Summarize:** Requests that you state main points or facts in condensed form, leaving out all details, illustrations, and elaboration.

- **Trace:** Asks that you describe historical sequence, progress, or development from points of origin and may call for probing or for deduction.
Learning from the Experience
An examination teaches you while you’re preparing for it, completing it, and after it is over. When your test is returned, carefully look at it to see whether there are points you need to relearn.

What You Missed
Find out what you missed. Check each test item for which you received part or no credit and figure out why you didn’t get it right. Here’s a checklist to help.

• Misread the question.
• Tried to avoid the question by writing around it.
• Were careless in computation.
• Organized the answer poorly.
• Chose a poor selection of points for the answer. Wrote too much and exposed ignorance.
• Wrote too little.
• Reasoned poorly.
• Distributed time improperly, leading to incomplete answers.

How to Avoid Repeats
Decide how you can avoid making the same mistakes during your next examination. Note your errors and review them before you take another test. If the exam papers aren’t returned, ask permission to see yours.

Ask the Instructor
If you don’t understand the way a question has been marked, then ask your instructor about it. Make sure your attitude shows you want to improve—not just get a few more points.

When talking about a test paper, forget the grade you received. The instructor has tried to grade honestly and fairly, and emphasis on your grade may inadvertently be construed by your instructor as an attack on his or her fairness.

Check Correct Answers
Look at your correct answers, too. This stresses them in your mind and helps reinforce any that may have been a “good guess” on your part. You might not be as lucky another time!
**Swim, Don’t Sink**

Once you’ve established your life on a schedule that you can handle and you’ve formed the study habits you need, you will find yourself in control of your future in a way you may have thought was impossible.

By developing the right tools for approaching your educational requirements, not only can you get through your time at Wilmington University, but you may find yourself doing it with honors! At the least, you will have a sense of well-being that comes from knowing what to do, when to do it, and how. You can do better than just survive—you can succeed!

**Faculty Course Evaluations**

Students are requested to complete a course/faculty evaluation at the conclusion of each course. Generally this is referred to as the IDEA process. This tool is a combination of predetermined questions which the student completes by filling in bubbles. In addition, it also allows the student to provide an opportunity for written input. The Faculty Senate has worked to make this a useful tool that helps to refine all courses and assists in faculty development. Student input is essential in the process; therefore, students are asked to evaluate each course openly, fairly, and completely.

**Remember**

There are experienced and understanding persons in staff, faculty, and administrative positions throughout Wilmington University. If you need or desire to talk with any of them, make arrangements to do so. In particular, if the University can assist you with any of the specific steps discussed in this section, please don’t hesitate to ask.

STUDENT SERVICES
Academic Advising—Undergraduate

Academic Advising services are an essential element of the Wilmington University student support system. The advising staff emphasizes a holistic approach by encouraging students to meet their educational goals while becoming life-long learners, and contributing members of society.

Academic advisors help students plan their academic careers. They evaluate what courses will transfer from previous colleges and recommend what remaining courses need to be taken in their chosen field of study. Advisors provide a clear explanation of course requirements for a chosen degree program and help students select a schedule of classes. They monitor graduation requirements and work with you to ensure that you are successful in reaching your educational goals. Advisors may also refer you to other campus resources and services for additional assistance.

5. Students who are at any time confused about academic requirements or progress towards a degree are encouraged and expected to meet with an advisor.
6. Once a student is on their way to completing courses specific to a major he/she should ask themselves two important questions to make sure it is the right major for them:
   - Do I find the content of the core courses interesting?
   - Do my courses cause me to look forward to future course work in this major?
7. Make the school aware of any changes in personal information. Change of Information forms are available at the Registrar’s Office.
8. If class absence cannot be helped contact the instructor immediately.
9. Acquire and read the Wilmington University Student Handbook.
10. Be familiar with and abide by school policies defined in the University’s catalog and the Student Handbook.

**Credits and Transfer Policies**

**Definition of Credit Hour**

Each course offered for University credit is assigned a specific credit hour value. A credit is a unit of measure that represents scheduled instruction which can be applied to the total number of hours needed for completing the requirements of a degree. For many courses at Wilmington University, 3 credit hours are granted for courses with 40 instructional hours, (45 for Legal Studies Courses) including the structured external assignment. However, Wilmington University recognizes that learning can take place in environments outside the traditional classroom. To recognize this learning and to equate it with traditional classroom learning, guidelines have been developed for awarding such credit and are outlined below.

**Transfer Credits**

Credits can be accepted for transfer only from the American Council on Education (ACE) provided that they are equivalent to Wilmington University courses and are related to the student’s degree program.

A grade of “C” or better is required to determine transfer ability of the course credit.
Transfer Credit Process — Undergraduate
The University Information Center (UIC) completes a transfer credit evaluation form and inputs the transfer credit directly to the student’s Wilmington University transcript.

Transfer Credit and Residency Requirement — Undergraduate Students

Number of Credits
The maximum credits allowed for transfer, either from other colleges or through alternative learning situations are 75 credit hours for the bachelor’s degree and 30 hours for the associate’s degree. The University has a residency requirement of 45 credits for the bachelor’s degree and 30 credits for the associate’s degree. However, a maximum of 15 credit hours of “Challenge-by-Exam” and/or “Prior Learning Assessment” (PLA) can be applied to the 45 credit hour residency requirement for the bachelor’s degree. PLA credit cannot be applied for consideration of honors.

Dover Air Force Base Waiver — Active Duty Military
A memorandum-of-understanding with the Department of Defense establishes a minimum residency requirement for a Bachelor’s degree at 30 credit hours, exclusively through normal class work taken at Wilmington University. Thus, the maximum transfer for active duty military personnel enrolled at the DAFB site is limited to 90 credit hours for students. Note that students must still complete 45 credit hours at Wilmington University in order to be eligible for academic honors.

Upper Level Requirement
The University requires 45 credit hours of upper level course work for a bachelor’s degree. These credits may be a combination of transfer credits and credits taken at Wilmington University.

Waiver of the 45 credit hour, upper level requirement may be authorized by the appropriate Academic Dean. Waivers may be granted when a student is working toward a specific career goal (e.g., certification, licensure, dual major or minor) and, in so doing, is required to take lower level courses. Waivers may also be granted for other reasons specific to the various academic divisions. Such waivers should not exceed 6 credit hours depending on major.
Military Science Credits from the University of Delaware

Wilmington University has a cross-enrollment agreement with the Department of Military Science at the University of Delaware whereby Wilmington University students may take 12 credit hours in military science at the University which are applied to a minor in military studies.

Transfer Credit and Residency Requirement — Graduate Students

Up to six credit hours of graduate study from a fully accredited graduate school may be accepted. Students seeking credit for course work completed at other accredited institutions must submit an official transcript sent directly from the institution to Wilmington University and a catalog course description from that institution. Transferred course work must be relevant to the major area of study. Course grades below a “B” will not be considered. Transfer students need to have all transcripts from other accredited institutions in the possession of the Graduate Admissions Office prior to registration. Failure to attend to this can result in duplication of courses previously completed at those institutions. Credit will not be granted for course duplication.

Transfer Credit Process — Graduate Students

- Upon receipt of an official transcript, the Program Coordinator reviews the transcript.
- Once a recommendation has been made regarding transfer, a Graduate Transfer Credit Form is completed. A copy of the course description is attached, along with the official transcript.
- All of the above is sent to the Academic Dean for approval and signature and forwarded to the Registrar’s Office.

Drug-Testing of Student Athletes

Wilmington University is concerned with the health, safety, and welfare of the student-athletes who participate in its programs and represent the University in competitive athletics. Substance abuse is one of the most important issues facing athletes and society today. The use of illegal drugs, misuse of legal drugs and supplements, use of performance-enhancing substances, use of alcohol and inappropriate use of tobacco are completely inconsistent with the standards expected of Wilmington University student-athlete’s health and negatively affect his or her academic and athletic performance. It can also compromise the integrity of athletic competition and the ideals of the University.

All student athletes at Wilmington University must sign the NCAA Drug-testing Consent form prior to competition. In addition, student-athletes are required to participate in a drug education program and a random alcohol and drug-testing program. The list of NCAA banned substances will be provided to each student-athlete.

Substance Abuse

Wilmington University prohibits the use of any illegal substance. A Substance Awareness Program is available for all Wilmington University students. Likewise, underage and/or excessive alcohol consumption is illegal and a violation of the Wilmington University Student Code of Conduct.

Financial Aid

Federal financial aid provides assistance with paying for: tuition and fees, books and supplies, transportation costs, modest living expenses and dependency expenses. This assistance is not meant to provide all living expenses. Rather, the funds are available to assist students to attend college. Detailed information on these programs and the financial aid application process is available to all students on the Wilmington University web site.

In order to be eligible for Federal grants and loans, state grants and scholarships, students must submit the Free Application for Federal Student Aid (FAFSA). Financial aid applicants must be fully accepted into a degree program, as no funds can be awarded until the applicant has been officially accepted to the University.

Application Procedures for Financial Aid

1. Financial aid applicants must complete the FAFSA. It is strongly suggested all students complete online at www.fafsa.ed.gov. If not already done, students must request a PIN as the first step in completing the FAFSA online. When accessing the FAFSA web site, students who do not have a PIN are directed to apply for one. The PIN allows students to electronically sign the FAFSA, which significantly reduces federal processing time. The data required on the FAFSA is based on the previous year’s tax information.

2. Upon receipt of students’ FAFSA data, Wilmington University will send letters to students indicating what additional documents are needed to complete processing. Students must submit all required documents before any financial aid offers will be processed.

3. Students who are interested and want student loans for the first time at Wilmington University must complete a Master Promissory Note (MPN) and an Entrance Counseling form which can be completed at www.studentloans.gov.

4. Upon receipt of all required documents, Wilmington University will determine the applicant’s eligibility. An offer letter will be sent to the student, indicating the types and amounts of anticipated financial aid.
5. In order to be eligible for aid, applicants must be fully admitted. In order to actually receive aid, students must maintain enrollment of a minimum of six (6) credit hours per semester for undergraduate and five (5) for graduate.

**Food Service**
The Wilmington University Café is located in the Audrey K. Doberstein Admissions Center (DAC) on the New Castle Campus. The Café is open Monday through Thursday 8:30 a.m.-7:30 p.m. and Friday 8:30 a.m.-2:30 p.m. during the fall and spring semesters. Summer hours will be posted.

**Housing Referral**
Students applying to Wilmington University and requesting information about housing near the New Castle site are referred to the Office of Student Life. For the students’ convenience, the Office of Student Life offers a housing referral brochure with information including names, locations, rental prices, and contact telephone numbers. In addition, the Office of Student Life offers assistance in introducing students to prospective roommates. Students interested in these services should contact the Office of Student Life directly.

**Identification Card**
Students may receive photo identification cards and validation stickers in the University Information Center (UIC) on the first floor in the DAC on the New Castle campus or in the office of the site of attendance. A card is necessary for library privileges, to access the Open Computer Lab (PEO030), to receive student discounts, and to participate in student activities. Lending this card to anyone is in violation of University regulations. Loss of this card should be reported immediately to the UIC.

**Insurance**
Each student is responsible for his/her own personal health insurance coverage.
Library

The Library supports the mission of Wilmington University through its collections, services, facilities, and programming. The central library collection for the University is located in the Robert C. and Dorothy M. Peoples Library Building. The Library home page serves as a gateway to local, national, and global information resources.

Facilities

Library services are provided at all Wilmington University sites. The main campus library holds the primary collection and is the hub for services to all sites. Comfortable accommodations for personal and group study as well as computers for research are made available to students. Augmenting the library at New Castle are Library Resource Centers at the Dover and Wilson Graduate Center sites. In addition, Wilmington University students are welcome to make use of Libraries at Delaware State University and Delaware Technical & Community College in Dover and on the Owens Campus in Georgetown, Rowan University Library, as well as academic libraries of Burlington, Cumberland, and Salem counties. Military personnel are welcome to use the libraries on the Dover Air Force Base and the McGuire Air Force Base.

How to Get Assistance

Library assistance is available to users at all locations. A toll-free phone line (800-451-5724), online service request form (www.wilmu.edu/library/feedbacklib) and email support at all sites and from within select electronic resources may be used for questions about use of library electronic resources, requesting postage paid “books-by-mail,” interlibrary loan, and for renewing borrowed materials. Wilmington University students enrolled in programs at off-site locations can also receive library instruction and research support through the institutions where they are based. Hours for each location vary and change during interim, summer and holiday periods. Please check for current hours on the Library’s home page. Individual instruction sessions can be scheduled upon request.
**Borrowing Library Materials**

Currently enrolled students at all sites may borrow library materials by using their university I.D. card, which contains your student ID number imprinted as a barcode. This ID number begins with “W00000” and finishes with your own unique number. This student ID number may also be found in WebCampus on your transcript. To locate materials owned by the Wilmington University Library, access the “Delaware Library Catalog,” through the Wilmington University Library homepage. The Delaware Library Catalog contains records for all materials held by the library. It is searchable by author, title, subject, keyword, and class number. Through the library’s participation in the Delaware Library Catalog, your search may be expanded to include the holdings of all participating libraries throughout the state of Delaware. To request an item (or “place hold”), use your student ID (W00000-----) and the default pin of “changeme”. You will be notified via email when the requested item has arrived. Items not available for circulation include reference books and textbooks. Distance students may request materials be sent to their home by mail at no charge to the requestor. Users can renew materials by accessing their account in the Delaware Library Catalog, or by calling the Library’s toll free phone number (800-451-5724).

**Library Databases**

No matter what your major, the Library offers online databases in support of your research topic. Licensing for over 50 databases with over 80,000 full-text journals and ebooks enables you to search for relevant library resources from the convenience of your home or office. Simply click on the “Electronic Databases” link from the library homepage. From off campus you will be prompted to login using your Blackboard User Name and Password.

**Interlibrary Loan**

No matter how hard we try, the library does not own or offer everything electronically in full text. If your search results include citations that are neither held by the library nor available electronically, you may request the item through Interlibrary Loan (“ILL”). This service will borrow materials from other libraries on your behalf. Copies of articles and chapters are delivered via the Web, so be sure to provide your email address for electronic delivery. It is advisable to arrange for this service as early in the research process as possible in case there are delays in delivery of materials. The library will transition to “ILLiad”, a new Interlibrary Loan system in Fall 2011.
**Lending Period, Reserves, Overdues**

Most materials circulate for three weeks. Reserve, AV materials and Juvenile Literature circulate for shorter periods. Materials may be renewed online through the Delaware Library Catalog, in person, or by telephone if there are no holds on the item by other requestors. Fines for overdue materials are 10 cents per day per item; one dollar per day per item for reserve, AV and Juvenile Literature materials. Lost or missing materials are billed on a replacement cost basis. Library financial obligations must be cleared before class registration.

**Security**

An electronic security control system at the exits serves to protect the collection for the benefit of all users. Theft and mutilation of library materials are, and will be, treated as serious offenses and could result in prosecution, as well as charges for processing and replacement. Neither the library nor the University can accept responsibility for lost or stolen personal belongings. Classes/group visits must be arranged in advance.

• Has been fully accepted by the University.
• Is registered for a specific course/courses.

Upon verification of a veteran student’s enrollment and his/her satisfactory progress, (prescribed by University guidelines), a Certification of Enrollment will be forwarded to the Department of Veterans’ Affairs.

How to Apply for Veterans’ Educational Benefits
1. Access the GI Bill website at gibill.va.gov
2. Complete the online application by clicking on the VONAPP link
3. Print Signature Page after completing online application

Academic Complaint/ Appeal of a Final Course Grade/ Request for Hearing

Academic Complaint
A student with a specific complaint about a course should, where appropriate, speak directly with the faculty member concerned. If such a conversation would be inappropriate under the circumstances, the student should formally communicate in writing with the Program Chair in whose program the course resides.

This communication must occur within 60 days from the time the grade is posted in the Registrar’s Office. If the matter is not resolved with the Program Chair, the student should submit a letter to the appropriate Academic Dean. This letter should include the specific reason(s) for setting aside the decision of the Program Chair.

Appeal of a Final Course Grade
A student who seeks to appeal a final grade in a course should first speak with the faculty member concerned. If the student wishes to proceed further with the appeal, the student should formally communicate with the Program Chair in whose program the course resides. This communication must occur within 60 days from the time the grade is posted in the Registrar’s Office.

If the matter is not resolved with the Program Chair, the student should submit a letter to the appropriate Academic Dean. This letter should include the specific reason(s) for setting aside the decision of the Program Chair.

Request for a Hearing— Final Course Grade or Academic Complaint
If there is a question about the decision of the Academic Dean regarding the appeal of a final course grade or an academic complaint, a student can register a grievance in writing to the Assistant Vice President for Academic Affairs to determine if the matter warrants a hearing before the Academic Review Committee. This letter should include the specific reason(s) for taking the student’s grievance beyond the Academic Dean.

Should the Assistant Vice President determine that a hearing is not warranted, the student will be so informed in writing and/or email within ten (10) business
days. If the Assistant Vice President determines that a hearing is appropriate, the Academic Review Committee will be convened and a copy of the student’s letter will be forwarded to the committee. The decision of the Assistant Vice President or Academic Review Committee will be final.

Probation, Suspension and Academic Standing

A student is expected to make satisfactory academic progress toward a degree. Failure to achieve this progress may result in academic probation, suspension, or dismissal from the University, to be determined by the Academic Review Committee.

First Semester Suspension

If during the first semester (or 2 consecutive blocks) at Wilmington University, a student receives two (2) or more grades of F, FA or NA, the student will be automatically suspended from the University. Students will be notified in writing of this suspension.

A student under “First Semester Suspension” may seek reinstatement to the University by meeting the following criteria:

• Two complete semesters have passed
• A written appeal is submitted to the Academic Review Committee Chairperson
• Based upon the content of the student’s letter, the Academic Review Committee approves the appeal.

Upon approval for reinstatement, the student’s status will be on academic probation.

Academic Probation and Suspension

A student will be considered to have unsatisfactory academic standing if the cumulative grade point average falls below the following minimum requirements:

<table>
<thead>
<tr>
<th>Credit Hours Earned</th>
<th>Cumulative GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-30</td>
<td>1.6</td>
</tr>
<tr>
<td>31-60</td>
<td>1.8</td>
</tr>
<tr>
<td>61-120</td>
<td>2.0</td>
</tr>
</tbody>
</table>

The Academic Review Committee will meet after each block (every 7 weeks) to review academic records. For the first occurrence, a student with a cumulative GPA
below the designated minimum requirement will be placed on academic probation. A second occurrence of unsatisfactory academic progress may result in continued probation or academic suspension from the institution. Third and subsequent occurrences could also result in continued probation, suspension, or permanent suspension from the institution.

A student on probation is limited to a maximum load of 12 credit hours per semester (less, if recommended by the Academic Review Committee). Students placed on probation are required to seek consultation from the Student Academic Advising and Success Center as soon as possible but no later than one week prior to the start of the next full block or semester. Failure to do so may result in suspension from the institution.

A suspended student may be reinstated on a probationary status by presenting and receiving approval of a written appeal to the Academic Review Committee chairperson. The suspended student must wait one academic year after the suspension was issued before submitting a letter of appeal to the Academic Review Committee Chairperson. The Academic Review Committee will make the decision to reinstate a student or not. If the student is reinstated to the University, the student will be reinstated on academic probation.

Any student who receives an institutional scholarship or tuition assistance from Wilmington University is required to maintain a 2.0 grade point average each semester. Failure to do so will result in the withdrawal of the institutional award from the student’s account for the following semester.

**Student Conduct**

Wilmington University is a community of individuals who come together to learn, work and grow in character. Students are expected to conduct themselves in a mature and responsible manner that demonstrates commitment to the ideal of honorable behavior for oneself and the community as a whole. Wilmington University is dedicated to provide as safe and secure a campus as is reasonably possible. Students are also responsible for being familiar with and abiding by the policies and regulations of the University, which are communicated In Section IV of this handbook.

Student conduct at Wilmington University should reflect favorably on all students and the University. Regulations have been developed to serve as guidelines for
conduct within the University community and are designed to enhance the educational objectives of those associated with the University. Since students remain citizens as well as members of the University community, they are obligated to act in agreement with the rights and privileges accorded to students and citizens. Violations of local, state and federal laws will be referred to and handled by the proper authorities.

**Academic Integrity**
Student conduct at Wilmington University is expected to reflect honest and forthright in their academic pursuits. It is inappropriate conduct to falsify the results of research; steal the words, phrases, or ideas of another; cheat or attempt to cheat on an examination; or to aid, assist, or allow another to commit an act of academic dishonesty. Acts of academic dishonesty are serious offenses.

Additional information may be found on the University website: [www.wilmu.edu/studentlife/acaddishonesty.aspx](http://www.wilmu.edu/studentlife/acaddishonesty.aspx). And the Academic Integrity Policy can be found in Section IV of this handbook.

**Academic Honors**

**Dean’s List**
Dean’s List honors are awarded to full-time students who complete at least 12 credit hours with no failures and earn a minimum grade point average of 3.5 for the semester. Part-time students are eligible for Dean’s List honors upon completion of at least 12 credit hours in two consecutive semesters with no failures and a minimum grade point average of 3.5 for the two consecutive semesters.

**Delta Epsilon Rho**
All students who achieve the honor of being placed on the Dean’s List for three consecutive semesters shall be designated by the Vice President for Academic Affairs as being eligible for induction into the Delta Epsilon Rho Honor Society.

**Graduation with Honors**
Graduation honors are awarded to students in a bachelor’s degree program whose cumulative grade point average (GPA) at the time of graduation ranks within the top 25% of that student’s academic college. A student must complete a minimum of 45 Wilmington University residency requirements in order to be considered for
honors. A maximum of 15 credit hours of challenge by exam and/or prior-learning assessment credit can be applied toward the residency requirement.

Specific honors are based upon the GPA distribution (computed to three decimal places) within each academic College.

- **Summa Cum Laude**: highest 5%
- **Magna Cum Laude**: next 8%
- **Cum Laude**: next 12%

**Alternative Credit Methods**

Wilmington University grants academic credit for work completed through seven alternative credit sources. These sources are in addition to transfer credit which may be granted for work completed at another academic institution. A brief description follows. Additional information may be found on the University website, from an Academic Advisor or a Site Director.

**Advanced Placement (AP)**

Advanced Placement (AP) examinations of the College Entrance Examination Board may be used for advanced placement credit. Specific college course credits will be granted for scores of three, four, or five on the examinations. An official AP score report must be forwarded from ETS to Wilmington University. Wilmington University does not charge students for transferring these credits. Contact the Student Academic Advising and Success Center for procedures required to initiate an evaluation of transfer credit.

**Challenge-by-Examination**

Challenge-by-Examination measures college-level knowledge through an examination process. Faculty members administer an exam which incorporates all tests and exams required in the actual course. A minimum passing grade of “B” is required. A maximum of 15 credit hours are accepted through Challenge-by-Examination. Tuition and fees are the same as standard course tuition.

**College-Level Examination Program (CLEP)**

The College-Level Examination Program® or CLEP is a national testing program that provides students of any age with the opportunity to demonstrate college-level achievement through a program of more than 30 examinations in undergraduate
college courses. Wilmington University recognizes these examinations for transfer credit.

**Credits through Examination**

Students who are interested in earning credit through one of the credits by examination programs should contact their academic or program advisor before taking an examination to ensure it will be accepted as credit for their program of study.

Credits earned through these examination programs are treated as transfer credit and do not affect a student’s grade point average. A maximum of 15 credits through examination will be accepted by the University.

**DANTES Subject Standardized Tests**

The DANTES Subject Standardized Tests (DSST) are an extensive series of examinations in college subjects that are comparable to the final or end-of-course examinations in undergraduate courses. A student may earn up to 3 semester hours of credit per test. Students who are interested in DSST examinations should contact an Academic Advisor and refer to the Wilmington University Prior Learning Assessment Guide for Students for further information at [www.wilmu.edu/academics/documents/pla_manual.pdf](http://www.wilmu.edu/academics/documents/pla_manual.pdf). Wilmington University does not charge students for transferring these credits. Information about DSST test preparation and study guides can also be found at [www.getcollegecredit.com](http://www.getcollegecredit.com).

**Directed Study**

Directed study is available only under extenuating circumstances for students who are approved by their Program Chair or Academic Advisor one month prior to the semester registration period in which the directed study is to be conducted. A maximum of 6 credits may be earned through the directed study format and may be used towards residency credits.

**Enrollment as an Auditor**

Students who wish to audit a specific course for no credit may do so by seeking permission of an Academic Advisor or Site Director. Students may then follow established registration procedures, clearly stating at the time of registration which course they wish to audit. Course auditors pay the same tuition as non-auditors and may participate fully in classroom activities. They are not required to take
examinations or complete class assignments. Course auditors receive a grade of “AU” (audit) that does not affect grade point average (GPA).

**Extra-Institutional Course Assessment (ECA)**

The University recognizes that college-level learning takes place both in and out of the classroom. A process of reviewing corporate training programs and other formal training/courses offered by non-accredited institutions/entities has been implemented to determine if college-level learning is present and to determine what credit, if any, should be awarded for the prior learning.

**Independent Study**

Students desiring to study areas of knowledge outside of disciplines available through regular course work must secure written permission from an Academic Advisor or Site Director one month (minimum) prior to the semester registration period in which the independent study is to be conducted. Upon final approval by the Academic Dean or Program Chair, a student may register for an independent study by following the official registration procedure. Tuition and fees for independent study are the same as those for standard courses. Independent study is graded on a satisfactory/unsatisfactory basis. A minimum 2.5 cumulative grade point average is required to be eligible for independent study. Students needing additional information about independent study should contact an Academic Advisor or Site Director. A maximum of 6 credits may be earned through the independent study format and may be used towards residency credits.

**Internship/Field Placements**

Students can be provided with a field placement in public or private agencies and companies. Field placements provide first-hand experiences upon which future career choices can be based as students gain a better understanding of the relationship between theoretical concepts and their practical application.

Students are reminded that coordinating the requirements for an internship requires prior planning. Students must receive written permission from the Internship Coordinator or Program Chair at least 60 days prior to their expected internship start date.

Upon receiving written approval, a student should complete the official registration procedure with the Office of the Registrar. Tuition and fees are the same as standard course tuition. Internships/field placements are graded on a satisfactory/
unsatisfactory basis. A minimum 2.5 cumulative grade point average is required to be eligible for internships/field placements. A maximum of 15 credits may be earned through internship/field placements and may be used towards residency credits.

**Prior Learning Assessment (PLA)**

PLA involves presenting evidence of non-classroom learning experience for academic credit consideration. The University allows students to obtain academic credit for learning that has taken place outside of the classroom. Wilmington University accepts a maximum of 15 undergraduate credit hours through PLA.

PLA requires the establishment of an academic contract and a student-prepared portfolio which is reviewed by a faculty member. The portfolio should include evidence relevant to the area in which credit is sought and demonstrate clear achievement and a thorough understanding of the subject. This may be demonstrated by knowledge obtained through work experience (military or civilian), in-service training programs, volunteer activities, workshops, and/or personal study.

The University may award graduate credit through PLA of post-baccalaureate experiences at the discretion of the Academic College. A maximum of 6 graduate credits may be earned.

**Full-Time Status**

**Course Load**

Twelve credit hours per semester constitute a full-time undergraduate course load. A course load in excess of 19 credit hours per semester requires written approval of the Academic Dean or Program Chair. Students wishing to carry excess course loads, as defined above, must also have a cumulative grade point average of 3.0 or higher. Students who are denied approval to take a course load in excess of 19 credits per semester may appeal in writing to the Assistant Vice President for Academic Affairs.

Students wishing to carry excess course loads (more than 19 credits per semester) must submit a request in writing to the office of the appropriate Academic Dean. Such written requests must be submitted in sufficient time to allow for adequate review prior to the beginning of classes. Students who fail to follow these procedures may be required to drop classes they are attending.
Course Numbering System
Courses at Wilmington University are identified and numbered to reflect the level of academic expectation for a particular course. They include:

Undergraduate Courses
000-099  Non-credit courses
100-199  Lower division courses
200-299  Lower division courses
300-399  Upper division courses
400-499  Upper division courses

Graduate Courses
5100-5600  Non-credit prerequisite courses
6100-8999  Master’s level courses
7100-9100  Doctoral (Ed.D.) courses

Grading System
Wilmington University utilizes a plus/minus grading system in assessing student achievement. Table 1 (pages 66-67) provides the minimum requirements for all undergraduate courses. Selected programs require a minimum grade for passing.

Grade Point Average
A student’s grade point average (GPA) is obtained by dividing the total number of quality points earned by the total credit hours attempted, excluding courses in which the grade “S” is recorded. For transfer students, credits earned include transfer credits; however, cumulative grade point average is computed only on courses attempted at Wilmington University.

Grades recorded with parentheses indicate prerequisite, post-graduate, and non-credit courses. These credit hours and the corresponding quality points are excluded in the GPA calculation. The grades of “F”, “FA,” and “NA” are used in computing the grade point average. Courses with grades of “F”, “FA” and “NA” are counted in attempted credit hours and receive zero quality points.
“I” Grade for Incomplete Work

An “incomplete” may be granted with prior approval of the course instructor. If granted, the student must complete course work within the time limitation determined by the instructor up to a maximum of 60 days following the end of the course.

After 60 days, incomplete (“I”) grades are converted to a grade of “F” unless the student arranges for an additional extension and the instructor notifies the Office of the Registrar before the initial 60-day period ends.

Pass/Fail Option

Students may gain approval from the Program Chair to enroll in selected courses on a pass/fail basis, provided the course is not a core requirement. This option is limited to two courses, excluding internships. Students will then follow established registration procedures, clearly stating at the time of registration which course is selected as the pass/fail option. Course work is graded “S” (Satisfactory) or “U” (Unsatisfactory).

Graduation

Students must satisfy degree and course requirements as outlined in the catalog in effect at the time of initial enrollment at the University as a degree candidate. Once students interrupt their program for one year or more, it will be necessary to satisfy the degree requirements as outlined in the University catalog or published curriculum in effect during the time following the student’s readmission as a degree candidate. Students planning to graduate in January must complete their academic program requirements by the end of the fall semester; program requirements must be completed by the end of the spring semester for those wishing to graduate in May. Students must file the Petition for Degree form with the Office of the Registrar on or before the date established in the academic calendar. Payment of the graduation fee required of all degree candidates is due upon submission of the Petition for Degree form. Students who register to graduate beyond the date announced in the academic calendar are required to pay a late fee in addition to the graduation fee.

Students should be aware that any criminal or otherwise inappropriate behavior may result in a delay or denial in having a degree conferred. Merely completing the course load does not guarantee a degree. Further information on this subject is contained in the various University catalogs as well elsewhere in this Handbook.

Student Writing and Math Skills
The University has adopted a policy intended to identify students who have writing and/or math deficiencies that may impair their ability to progress through their course of study.

1. English and Math Skills Assessments are required for any undergraduate student who has not transferred acceptable credits for the following requirements: MAT 101, MAT 200, MAT 201, MAT 205, or ENG 101.

These assessments must be completed prior to course registration and the results permit the University to place the student in the appropriate level math or English course. Specific cut scores for both assessments have been established and students are encouraged to meet with the appropriate advisor to determine their status. If a student is successful on the skills tests but still feels the need for review, he or she may elect to enroll in either MAT 095 (Math Review) or ENG 095 (English Review).

2. Students who score a 450 or above on either the English or Math section of the SAT are exempt from the skills assessment in that area.
Math 110 Math Essentials
and English 110 English Essentials
Credit for these courses applies toward graduation as an elective. The minimum grade needed to pass Math 110 (Math Essentials) or English 110 (English Essentials) is a “C”.

Math 101 College Math I
The minimum grade needed to pass Math 101 (College Math I) is a “C”.

First Year Experience Course
(FYE 101)
This course introduces first year students to the University. It is designed to provide students with the skills, knowledge, and dispositions that will promote achievement in higher education. Students in this course will become a part of a learning community that will encourage academic and social success.

Annual Notification to Students

Wilmington University is required to notify students annually of their rights regarding privacy. An ongoing message is inserted in each registration booklet, directing students to the following web address: www.wilmu.edu/studentlife/privacy.html.

Registration

Students can register for classes during official registration periods as announced by the University in the academic calendar. Dates for open registration, late registration, drop/add, and withdrawal are published by the University each semester in the semester guide. Copies are available at the Office of the Registrar, any site offices, or on our website, www.wilmu.edu. Students should become familiar with academic calendar dates and deadlines for proper academic planning.

Course Withdrawal

Students may withdraw from a course without academic penalty prior to the course withdrawal deadline stated in the University academic calendar, semester guides, and on our website. In addition, as outlined by the academic calendar, students may receive a percentage of tuition credit when the withdrawal is processed. Students may conclude payment arrangements at the time of withdrawal or continue to be billed under the existing payment plan agreement. Course withdrawals may be completed at the Office of the Registrar, a student’s home site office, by mail or by fax using an official Withdrawal Form. Students who choose to fax or mail withdrawal forms are responsible for calling the appropriate office to verify receipt of the request. Official withdraws result in the recording of a grade of “W” on the student’s transcript and carries no academic penalty. Failure to withdraw prior to the deadline will result in the grade of “FA” or “NA”, which will have a negative impact on the student’s GPA.

Wilmington University will consider employer/medical-based withdrawals on a per course basis and entire semester basis. Students are required to complete the Withdrawal Form and submit it as stated above. In addition, a typed letter explaining the employer/medical conditions that warrants a withdrawal and supporting documents from an employer or doctor (on professional letterhead) is to be submitted to the Office of the Registrar for consideration. A committee will meet bi-monthly to consider all requests. The decision of this committee is final.
Dropping/Adding Courses

Course drop/add instructions and dates are listed in semester guides, the academic calendar, and on our website. If a class is dropped during the drop/add period, tuition is refunded; fees are not refunded. If a class is added after the drop/add period ends, regardless of the reason, the student must pay tuition and all fees in full at that time. The payment plan cannot be used for courses added after the drop/add period. Students receiving financial aid should consult with the Student Financial Services Office to determine potential consequences of any change in course credit load.

Modular Drop/Add and Modular Withdrawal

Modular adds must be completed before the first class meeting. Modular drops must be completed by the Monday following the first class meeting. Modular withdrawals must be completed by the Friday following the first class meeting. Failure to withdraw before the withdrawal deadline results in a grade of “FA” or “NA.”

Repeating a Course

Whenever a course is repeated, the new grade is recorded on the transcript. For the purposes of GPA computation, the new grade will be used so that only one grade is calculated into the cumulative grade point average. The most recent semester in which a student has taken the repeated course will be the course grade that is calculated into the grade point average. All grades will remain on the transcript. A successfully completed course can be applied to graduation requirements only once.

University and Academic Calendar Year

The academic year is divided into three semesters, six accelerated sessions (blocks), and weekend modules. The calendar can be found on the University website at: www.wilmu.edu/registrar/calendar.aspx

Change of Policy

Wilmington University reserves the right to change or adjust its academic policies, tuition, fees, payment plan procedures, academic calendar and to cancel or add courses at any time.
Readmission

Undergraduate Level

A student who discontinues study in any program for 12 months or more is required to re-apply and pay a new application fee. The student must meet all of the admission, academic policy, and program requirements in effect on the date of readmission. A student who was on probation at the time that he/she discontinued study will be readmitted on probation. A student who discontinued study due to academic suspension will be readmitted only after a successful appeal to the Academic Review Committee. Students will not be able to register until the readmission process is completed.

The Admissions Office will inform students that they must meet the new or revised academic requirements in effect on the date of readmission, and not the requirements of any prior admission.

Graduate Level

Most graduate programs must be completed in five years (seven years for the Ed.D. and DBA programs); other limitations are specified for each program in the current Graduate Catalog. Graduate students are not required to complete another application during this five-year period (seven-year period for Ed.D. & DBA programs) unless it has been a year or more since attending classes. A student who discontinued study due to suspension may be readmitted only after a successful appeal to the Academic Review Committee. If a graduate student does not complete the degree requirements within the prescribed time frame, the student will be required to seek readmission and will be obliged to comply with current degree requirements.

There is a $5.00 charge for each transcript, including student copies. As per Wilmington University policy, we do not fax official or student copies of transcripts.

POLICIES & REGULATIONS
Wilmington University Code of Conduct

Student conduct at Wilmington University should reflect favorably on all students and the University. Regulations have been developed to serve as guidelines for conduct within the University community and are designed to enhance the educational objectives of those associated with the University.

Since students remain citizens as well as members of the University community, they are obligated to act in agreement with the rights and privileges accorded to students and citizens. Violations of local, state and federal laws will be referred to and handled by the proper authorities.

I. Academic Conduct Violations

A. Academic Integrity Policy

Students of Wilmington University are expected to be honest and forthright in their academic pursuits. This policy is designed to promote a sense of honesty and integrity among our students as they are preparing for new ventures in the world of work.

Faculty members are encouraged to discuss the topic of maintaining one’s academic integrity at the beginning of each course. Topics such as citation reference requirements, the acceptable level of collaboration with other students on course requirements, examination procedures, etc., can be explored with students.

In addition, faculty members are given the freedom to discern which level of academic integrity infraction requires formal intervention. For example, students who exhibit minor levels of plagiarism in freshmen courses may benefit more from a personal conference during which the faculty explains the infraction and offers the student an opportunity to redo part or all of an assignment.

Students should be familiar with the Student Code of Conduct as well as the course syllabus regarding information related to academic integrity. Numerous resources for students are available through the University’s web site: www.wilmu.edu/library/reflinks.aspx. Other resources include faculty members as well as the Student Success Center. In addition, this document outlines some behaviors students should avoid in order to maintain their academic integrity.
1. Plagiarism

When a student submits work that includes the words, ideas, or data of another or previously submitted work as his or her own, the source of that information must be acknowledged through complete, accurate, and specific references, and, if verbatim statements are included, through quotation marks as well. Plagiarism covers published and unpublished sources.

PLAGIARISM NEED NOT BE INTENTIONAL. Students are urged to consult with individual faculty members, department heads, or recognized handbooks in their discipline (located at www.wilmu.edu/library/reflinks.aspx) if they are in doubt as to whether their work may contain plagiarized material. This should be done before the work is submitted. Utilizing information from the Internet without proper attribution is considered plagiarism.

2. Fabrication

Fabrication is the intentional use of invented information or the falsification of research or other findings. Falsification includes, by way of illustration but not limited to, the submission of work as your own when it was prepared totally or in part by another (individual or commercial agency), taking an examination for another student, or having another student take an examination for you.

3. Cheating

Cheating is an act or an attempted act of deception by which the student seeks to misrepresent that he or she has mastered information on an academic exercise. Some examples of cheating include copying from another student’s test paper, allowing another student to copy from your test paper, using unauthorized notes or books during a test, using crib sheets, using notes or books during a closed book exam, collaborating on home assignments or exams without permission by the instructor, buying or selling exams or papers, any use of electronic/online technology such as an iPod, cell phone, or Blackberry or similar device during a test, or unauthorized communication of answers to a test to others.

4. Grade and Test Tampering

Test tampering is obtaining, distributing, or receiving a test or examination without consent of the instructor. It is also a violation of the Academic Integrity policy if a student takes a test for another student.
Tampering with grades in a grade book or assisting with changing any academic record in the university is prohibited.

**B. Procedures for Academic Conduct Violations**

**1. First Occurrence**

The faculty member shall confer with the student regarding the violation of the Academic Integrity Policy.

In consultation with the specific program chair of the college in which the course is offered, the faculty member is to select one or more of the following sanctions:

- Require that the student repeat any work affected by the violation of the Academic Integrity Policy.
- Assign the student a lower grade for the assignment.
- Assign the student a failing grade for the course (this is not necessarily a grade of (0) zero).

After a sanction is selected, the program chair will inform the Dean of the College in which the course in question resides and what action was taken. Objective evidence of the violation must be submitted to the Dean. The Dean shall inform the Assistant Vice President for Academic Affairs who will notify the student in writing that his or her continued enrollment at Wilmington University is provisional; the Assistant Vice President may require the student to complete the course ENG 365 (Academic Writing). The Vice President of Student Affairs will receive a copy of the letter.

As to any matter listed above which is preceded by an asterisk (*), a report may be filed with the police in appropriate government offices as well as with the Director of University Safety or his designee. If any case which is submitted to the police results in an arrest, the University may, in its discretion, immediately suspend the student from all University classes and activities subject to a review of the case by the Student Discipline Committee. If any case which is submitted to the police results in a conviction, then the student shall be immediately suspended from all University classes and activities subject to a review of the case by the Student Discipline Committee if no prior action had been undertaken.

The fact that a person is convicted or acquitted in a criminal proceeding is not controlling on any determination to be made by the Student Discipline Committee. The fact that a person charged with a violation of conduct pleads guilty to an offense in a criminal proceeding may be considered by the Student Discipline Committee as an admission.
D. Allegations of Criminal Conduct

Any student accused of a felony, misdemeanor or DUI offense must report it to the Vice President of Student Affairs within seventy-two (72) hours of arrest or being charged.

Students are required to report these matters irrespective of whether the charges arose from alleged conduct on or off a university site, and whether or not the alleged conduct occurred at a university sponsored event.

The Vice President of Student Affairs shall review the matter and the University shall determine, in its sole discretion, whether to suspend or otherwise limit the student’s attendance and/or participation in classes and university sponsored activities. The matter will then be referred to the Student Discipline Committee.

E. Policy on Wilmington University Computer Use

Wilmington University policy requires that the computer equipment and facilities owned or leased by the University and supplied for student use NOT be used in any of the following manners or for any of the following purposes:

5. For any activity contrary to standards of decency (i.e., hate sites).
6. Accessing any pornographic or otherwise x-rated sites, materials, photos, or emails.
7. For any activity that would damage the good name and reputation of Wilmington University.
8. Causing the downloading, bookmarking, or transmission of pornographic materials, photos, or emails to another computer either on or off site, including one in which the student has some proprietary or other possessory interest.

Students are required to sign in using the Wilmington University email and password. It is presumed that any activity conducted once a student is logged on, was caused by that individual. Students who permit others to use their log-in information shall be held equally, if not more accountable than the offending party. You are strongly advised to protect your privacy, integrity, and dignity by not permitting others to use your access codes.

The same prohibitions apply to students using a personal computer and accessing the Internet via Wilmington University’s Wi-Fi network.
II. Violations Review

Any member of the University community may take alleged violations of the Code of Conduct to the Vice President of Student Affairs. Allegations will be reviewed and a determination made as to whether there is a basis to believe that a violation of the Code of Conduct may have occurred. If it is deemed that no violation has occurred, the allegations are dismissed and the accused is so informed. If it is deemed that there is a basis to believe that a violation has occurred, the allegation is referred to the Student Discipline Committee.

The Vice President of Student Affairs may impose, at the discretion of that office, an immediate suspension of privileges pending the Student Discipline Committee hearing.

Among the factors which may be considered, by way of illustration but not limitation, are the nature of the allegations, the prior history of the student, the risk to the college community, and/or any court orders concerning “no contact” provisions.

A. Student Discipline Committee

The Student Discipline Committee shall meet for the purpose of handling specific problems relating to violation to the academic integrity policy and/or student misconduct. The Committee is composed of the following:

Chairperson
The Chairperson shall be the Vice President of Student Affairs or his/her designee.

Other Voting Members
1. One full-time faculty member;
2. One Academic Advisor;
3. President of the Student Government Association or his/her designee;
4. One Cabinet member.

Non-Voting Member
Counsel for the University shall be present to advise the Committee as to any legal issues which may arise during the hearing. Counsel may also question any witnesses. Counsel shall not attend or participate in any deliberations.

Quorum
A quorum shall consist of three (3) voting members.
Recording of the Hearings

The Student Discipline Committee’s hearings shall be recorded, and the recording preserved until the matter has been concluded, including the taking of any appeals. All deliberations are confidential and are not recorded.

Burden of Proof

In order for the Committee to find that a student has violated the Code of Conduct, it must first be satisfied, by majority vote of those members present, that the allegations were established by a preponderance of the evidence.

B. Sanctions

Sanctions imposed by the Student Discipline Committee may include but are not limited to the following actions:

1. Disciplinary probation with or without loss of designated privileges for a specified period of time;
2. Restriction of privileges such as removal from elective or appointed office and/or ineligibility in representing the University;
3. Suspension from the University for a specified period of time. Any suspension may be followed by a probationary period and may include restriction or forfeiture of privileges;
4. Dismissal from the University with permission to reapply after a specified period of time. Conditions precedent to readmission may be established in conjunction with such a dismissal;
5. Permanent dismissal from the University;
6. If a student is suspended or dismissed from the University and is later re-instated, credits for courses at other institutions of high learning are not transferrable;
7. A delay as to when a degree is to be conferred upon the student;
8. A determination that the student is not entitle to have their degree conferred.

There will be no financial refunds in decisions involving loss or restriction of privileges, suspension or dismissal.

Any of the sanctions listed above may be imposed for a first offense and any subsequent offense. Sanctions are not required to be progressive. The appropriate sanction shall be imposed at the discretion of the Student Disciplinary Committee. In order for the Committee to approve a sanction, it must be agreed upon by a majority vote of those members present.
III. Appeals

Within fifteen (15) business days from the date that the notification of sanctions is sent via certified mail, a written appeal of the decision may be made to a panel consisting of the Director of Legal Affairs or his/her designee, and two designated members of the Cabinet, or other University officials as deemed appropriate by the Director of Legal Affairs. Any appeal must be sent via certified mail, return receipt requested to the Director of Legal Affairs in the Office of the President and University Counsel. A copy of the appeal shall be sent to the Vice President of Student Affairs.

A party may request an appeal on the grounds that the hearing was unfair. Such a request must state the specific procedure(s) violated and provide information or documentation to substantiate the allegation(s).

A party may also request an appeal on the grounds that:
   a) the decision was contrary to the evidence;
   b) the sanction imposed is inappropriate, unreasonable, or unjust; and/or
   c) there is new information which was not available at the time of the original hearing.

A request on any of these grounds must explain, in detail, the basis for the appeal.

The filing of an appeal shall not act as a stay of any suspension or dismissal. The panel shall review the appeal and determine, at its discretion, whether the appeal shall be considered upon the written and recorded record or whether a further hearing is necessary. The panel shall issue this determination within ten (10) business days from the receipt of the appeal and schedule any hearing as promptly as is reasonably possible. No member of the Student Disciplinary Committee shall be permitted to provide testimony concerning their individual view of the evidence or the sanction. Likewise they may not offer testimony concerning the private deliberations of the panel. In the event that no hearing is conducted, a decision will be issued within thirty (30) days of receipt of the appeal. In the event that a further hearing is necessary, the panel shall issue its decision within ten (10) business days of that hearing.

The panel shall consist of at least two (2) of the three (3) members. Decisions of the panel shall be by majority vote of those present. The decisions of the panel shall be final.

A party taking an appeal must establish by clear and convincing evidence that the decision of the Student Disciplinary Committee should be reversed. The appeal panel may amend the penalty either upward or downward if convinced by clear
and convincing evidence to do so. In the event that the appeals panel consists of only two (2) voting members and they are split as to the result, the decision of the Student Disciplinary Committee shall not be disturbed.

IV. Due Process

Courts have held that student disciplinary proceedings at a private educational institution such as Wilmington University are not subject to the rights and privileges of the United States and the State Constitutions. “Fairness” shall be the guiding principle. Wilmington University believes the following elements of due process are applicable to the student disciplinary proceeding.

That the student:

1. Be notified in writing of the allegations against him/her and the basis for these charges.
2. Be given an opportunity for a hearing by the Student Disciplinary Committee.
3. Be notified of the date, place, and time of hearing.
4. Be afforded the right to present a defense and witnesses in his/her own behalf.
5. Not be the recipient of disciplinary action which is not supported by the evidence. Prior infractions of misconduct shall be considered in determining the appropriate disciplinary action.

The following policies, while not required to ensure due process are established for purposes of clarity and fairness.

1. The accused may be accompanied by an advisor of his/her own choosing. The advisor acts in that capacity alone and may not speak for the accused as would legal counsel.
2. A recording and/or written transcript of the hearing should be made. The cost of the transcript must be paid in advance of it being prepared.

The cost of having a written transcript prepared shall be borne by the student. The transcript shall be prepared under the direction of University Counsel.

3. Records of a disciplinary action shall be kept as confidential as is appropriate under the circumstances. Disclosure is generally made to the Registrar, Bursar, instructors, victims if a student is suspended, dismissed, or expelled, or otherwise has restrictions placed upon them. As a general rule disclosure of disciplinary actions to disinterested Third parties shall be released only with a signed request by the student, valid subpoena (subject to FERPA guidelines or Court Order). The disclosure could include:
a. Specific violation and/or notices of prior misconduct;
b. Decisions of the Student Disciplinary Committee or negotiated disciplinary action;
c. Sanction;
d. Notice of reinstatement, if appropriate.

4. Should the accused elect to hire legal counsel, that attorney must be a member of the Delaware Bar to actively participate in any hearing. Hiring legal counsel who is not a member of the Delaware Bar relegates this person to the role of an “Advisor” as set forth in paragraph 1 above.

V. Policy on Children in the Classroom

Children are not allowed in the classroom or left unattended while on campus.

VI. Policy on Discrimination

It is the policy of Wilmington University not to discriminate on the basis of sex, handicap, disability, race, age, color, religion, national or ethnic origin, marital status, or sexual or affectional preference in its educational programs, admission policies, employment practices, financial aid, or other school-administered programs. This policy is enforced by federal law under Title IX of the Education Amendments of 1972, Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990.

Wilmington University actively supports the rights of students with disabilities to have equal access to education. Wilmington University makes every reasonable effort to accommodate the needs of students with disabilities.

Students who have a disability are asked to notify the Office of Student Affairs as soon as possible and prior to registration. Early notification prevents delay in initiation of services and ensures the student access to educational activities.

The Office of Student Affairs facilitates equal access to Wilmington University programs and activities for students with documented physical, sensory, learning, or psychological disabilities. Students with special needs may qualify for accommodations to help compensate for disabilities which impede their academic progress and lower classroom performance. To receive accommodations a student MUST notify the Office of Student Affairs prior to registration and
furnish documentation verifying the need for assistance. Each student bears the responsibility for contacting the appropriate clinician and having objective data supporting the diagnosis and need for service released and forwarded to his office. Wilmington University reserves the right to require additional information, evaluations or reports or an independent evaluation(s) before determining that an individual qualifies for special accommodations.

See criteria for Documentation Guidelines in the Students with Special Needs Handbook on the University’s website at www.wilmu.edu/studentlife/disabilityservices.

**VII. College of Health Professions Background Check and Drug Screen Policy**

All nursing and allied health students are required to satisfactorily complete a criminal background check and drug screen in order to promote the highest level of integrity in health care services; meet requirements of clinical facilities and contractual agreements; and avoid delays in clinical placement. Verified Credentials Inc. is the designated provider. Results from any other company will not be accepted. Students are responsible for payment of any and all fees related to the background check and drug screen.

The background check and drug screen must be completed prior to attending clinical sites for undergraduate nursing and allied health students and graduate Nurse Practitioner students, and on admission for graduate Leadership students. Students will not be permitted to participate in clinical courses and may be unable to complete the nursing or allied health program under the following conditions: refusing to complete a background check and drug screen through our provider, VCI; having positive findings on the background and/or drug screen that are not resolved following review by the College of Health Professions and/or a credentialing body as a result of the positive findings on the background check or drug screen.
VIII. College of Education: Criminal Background Check Required for Student Teaching

Students planning to start student teaching the Spring 2011 or after are required to submit to the State of Delaware for a criminal background check (CBC) including fingerprinting and the Child Protection Registry Review. Students MUST complete the fingerprinting process including submitting the CBC Report, PRIOR to submitting a student teaching application. Students must also complete the Child Protection Registry Review Form and the Wilmington University Consent to Release Information Form as part of the application process. These forms are included in the application.

Applications for student teaching MAY NOT be submitted until after you have provided the Clinical Studies Office with your Criminal Background Check report. The report will be sent to your home address after the fingerprints are taken at the State Police Station. When the report arrives from the State Police, DO NOT OPEN the envelope. Any envelope that is opened or tampered with will not be reviewed or considered.

You must submit the SEALED envelope containing your criminal background report that you receive from the State Police UNOPENED to the Office of Clinical Studies to complete a student teaching application. Your copy of the criminal background report must be taken to the Clinical Studies Office in the College Education during regular working hours. These locations are: New Castle: Clinical Studies Office in the Peoples Building; Dover: Building B; and Georgetown: The Wilmington University Office, William A. Carter Partnership Building.

Student teaching placement recommendations will not be presented to the districts or charter schools until we receive the criminal background report and determine suitability at Wilmington University. The district or charter school will then decide if they will accept the student teacher.

For more information on this policy go to www.wilmu.edu/education/clinicalstudies/backgroundcheck.aspx.
IX. Drug Policy

Wilmington University is committed to the creation of a wholesome, drug-free environment conducive to learning. In accordance with the Drug-Free Workplace Act of 1988 (Public Law 100-690, 102 Stat. 4181), the University prohibits the manufacture, distribution, dispensation, possession, or use of a controlled substance in its facilities or on its campuses. Any employee charged with a violation of a local, state or federal drug law while on University property or at a University event must follow procedures and requirements outlined in the faculty and staff handbooks.

Any student charged with a violation of a local, state or federal drug law must comply with the provisions set forth under “Allegations of Criminal Conduct.” Convictions may be cause for suspension from the institution or for required completion of a drug rehabilitation program. Wilmington University will impose sanctions on any employee or student entering a first offender's program or otherwise convicted of violating any local, state or federal drug statute. Convictions are deemed final upon the entry of a guilty plea or the return of a verdict by judge or jury. Sanctions are not stayed by the filing of a judicial appeal. In the event a conviction is overturned Wilmington University will review that opinion to ascertain whether a modification of sanctions is in order. The mere reversal of a conviction does not necessarily mean that sanctions will be modified or lifted.

The use of alcohol is permitted only by persons of legal drinking age and at University activities for which prior approval has been granted by the Executive Vice President of Academic Affairs or the Vice President of Student Affairs. The University prohibits the abuse of alcohol on its properties and at University sponsored activities.

While disciplinary guidelines are necessary to protect the welfare of the University community, it is the expectation of the President and Board of Trustees that the University’s disciplinary role will be secondary to prevention, awareness, and, where applicable, treatment. The University intends to assist its students in understanding the health, social, legal, and family-related risks associated with the use of illicit drugs and/or abuse of alcohol. Among these are damage to the brain and other organs, addiction, loss of employment, family dysfunction, incarceration, overdose, and death. The University seeks to provide ongoing education for its students through information provided in related courses and resource materials available throughout the University. Additionally, students, faculty, and staff are encouraged to avail themselves of free and confidential counseling/referral services offered through the Office of Student Affairs. The University seeks to implement ongoing educational programs aimed at discouraging substance abuse and encouraging healthy, self-directed, drug-free lifestyles.
In compliance with the Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226), the University conducts a biennial review of its drug prevention program to determine its effectiveness, implement any necessary changes and ensure the enforcement of sanctions.

* Legal sanctions under local, state, and federal law for unlawful possession, use, or distribution of illicit drugs and alcohol include imprisonment, fine, and possible loss of driving privileges. A listing of penalties for specific offenses can be found in the Delaware Code Annotated, Titles 4 and 16, available in the Wilmington University Library.

X. Sexual Harassment Policy

Wilmington University is committed to providing a working, educational, and social environment for all members of our University community, including all faculty, staff, and students, that is free from sexual harassment. Sexual harassment in any form is unacceptable behavior and will not be tolerated. It is a form of misconduct that undermines the institutional mission of the University. Sexual harassment may be defined as unwelcome advances, requests for sexual favors, other verbal or physical conduct, written communication or printed materials of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly at term or condition of an individual’s employment or educational experience;
2. Submission to or rejection of such conduct is used as the basis for employment or academic decisions affecting such individual; and/or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual’s work, academic performance, participation in co-curricular activities, or creating an intimidating, hostile, or offensive working, learning, or social environment.

Sexual harassment can take many forms, and the determination of what constitutes sexual harassment will vary according to the particular circumstances. Sexual harassment may be described generally as unwelcome sexual behavior that a reasonable person would find offensive and that adversely affects the working or learning environment.

In order to promote and uphold the University’s commitment to a harassment-free environment, it is the responsibility of all members of the University community to report alleged violations of this policy to the appropriate University official. Allegations involving a faculty or staff member should be reported to the Vice
President of Academic Affairs or the Director of Human Resources. Allegations against a student should be reported to the Vice President of Student Affairs.

Investigations will be conducted as promptly and in as confidential a manner as possible. Students who report such conduct are expected to cooperate fully with the Investigation. Anyone who retaliates against any individual making complaints of sexual harassment is in violation of this policy and will be subject to sanctions. Likewise, anyone who files a false or malicious charge against a member of the University community is subject to sanctions as well.

XI. Policy on Surveillance Devices on Campus

The University may utilize reasonable surveillance methods, including video and audio in areas where notice of such surveillance has been posted. Surveillance cameras are positioned at several locations to enhance efforts to protect persons and property on campus.

XII. Student Transportation Policies and Procedures

The safety of our students at Wilmington University is very important. Statistics have shown that travel by student groups can pose risks. With this in mind, Wilmington University has instituted policies and procedures for student group travel. All student groups must abide by these procedures. Contact the Office of Student Affairs for a copy of the Student Transportation Policies and Procedures.

XIII. Intellectual Property Policy and Students

By enrolling in the University, the student gives the University a nonexclusive, royalty-free license to mark on, modify, and retain the student’s Intellectual Property (work) as may be required for course completion. The University will not have the right to use the Intellectual Property (work) in any other manner without the written consent of the student. Additional information is located in the Office of Academic Affairs.

Appendix B

Veterans’ Enrollment Guidelines

1. All veterans must be matriculated at Wilmington University prior to any certification to the Veterans’ Administration for benefits. A matriculated student is one who has filled out an official University application in the Admissions Office, has declared the intent to pursue a specific program, has been accepted by the University, and has had previous transcripts, if applicable received, and is registered for a course.

2. Attendance in class is required for eligibility to receive VA benefits.

3. VA payments cannot be made for courses from which a student withdraws unless such a change was warranted by circumstances beyond the student’s control. Students will be required to submit supporting evidence to substantiate the change in enrollment status. Examples of such evidence are:
   a. A doctor’s certification to verify an illness or,
   b. A statement from an employer to confirm a required change in work schedule, etc. or,
   c. A change in service activation status.

4. Veterans are responsible to report enrollment changes to the VA counselor within two weeks of a change in enrollment.

If evidence is not provided to substantiate that the change was due to unanticipated circumstances beyond the student’s control, the education award may be reduced effective the first day of the semester in which the change took place.
