NYC HOLIDAY BUS TRIP

If you have ever wondered how you could possibly relax and enjoy the spirit of the holiday season when there are gifts to buy, cards to write and traffic to maneuver, think no more! The 3rd Annual Alumni NYC bus trip was once again the perfect way to slow down and celebrate what makes this the “Most Wonderful Time of the Year”!

A sold out bus picked up alumni and friends from the Dover and New Castle sites before heading to New York City where guests spent the day touring the city, marveling at holiday decorations, grabbing last minute tickets to theater shows and shopping. Since the driving was left to Delaware Express, everyone enjoyed a light breakfast of mini muffins and bagels from Pure Bread Bakery while watching a few holiday movies. During the return trip home, a snack pack of cheese and crackers was served while complimentary beverages were poured.
