

Alumni Networking Happy Hour @ Harrah's Casino

Everyone was a winner during the New Jersey and Pennsylvania chapter event at Harrah's Casino! Barley Que Restaurant was the perfect backdrop as over 50 alumni from the region mingled throughout the evening. Stories were shared and many laughs were heard as former classmates reminisced about their years at WilmU. Frank Ingraham, VP for Chapter Development spoke enthusiastically about the event: "Excitement builds with all of the fantastic opportunities being hosted by our WilmU Chapters. Having the NJ & PA chapters join forces with this event helped increase the networking opportunities and renewed friendships with fellow classmates and colleagues."
