

Fordham & Old Dominion Brewery Taste and Tour

Kent & Sussex Alumni showed their Wildcat Pride at the Fordham-Old Dominion Brewery on October 12th. Over 70 people enjoyed the first annual "Taste and Tour October-Fest Celebration". Guests received a private tour of the brewery which has been in Dover since 2007. Once the tour ended, the tasting began! Alumni sampled a variety of the microbrews and the Brewery's selection of homemade sodas. Friends mingled throughout the evening and enjoyed delicious food from Where Pigs Fly. A friendly game of ladder ball added a level of competition to the evening, while others sat outside and relished the fall air. The evening gave alumni the opportunity to learn about the alumni association and meet fellow WilmU grads in their area.

Dr. Wendy Modzelewski '09 summed up the evening perfectly, "This was a tremendously fun event! The response to this event was the best ever for a Kent-Sussex alumni event and it was great to see so many old and new friends. Fordham Brewery went out of their way to ensure we felt welcome and the venue provided ample space for networking and socializing. Where Pigs Fly provided delicious food, too. We hope to see more folks turn out for alumni events in the future!" *Continue Reading on the next page...*
