

Scholarships and Awards Ceremony

The 2012-2013 Academic Year Scholarship and Awards Ceremony was held on June 12, 2012 at the Doberstein Admissions Center. These scholarships are made possible by the donations received through Annual Fundraisers. Donors include businesses, alumni, and friends of the University. Funds are also raised through the Green and White Scholarship Ball and the Wilmington University Scholarship Golf Classic.

The Green and White Ball is an annual fundraiser held in October. Decorated themed rooms transform the classrooms into a party atmosphere that feature venues of food, beverages, cocktails and music. Guests can dance to the FUNSTERS while perusing the incredible offerings at the Silent Auction table located in the main ball room.

The Annual Scholarship Golf Classic is held in the spring. This past May over 136 golfers registered to enjoy a beautiful afternoon at Cavaliers Country Club. Lunch and refreshments were provided throughout the day. In the evening 180 guests attended the 19th Hole Celebration which included dinner, awards, a silent auction and entertainment from the band Thoughts in Common, featuring Anita King. Scholarship recipients Michelle Yang and Michael Sammons attended the celebration to thank the players and sponsors for the continued support of the scholarship fund.
