

CMHC 2020-2021 Program Information

Vital Statistics

Job Placement Rate (Percentage)

Employment information was available for seven (25%) of the 28 students who graduated from the Wilmington University CMHC Program in May of 2021. Of those seven, all (100%) were employed in a counseling or human service-related position or had been accepted for a position starting within three months of graduation. Six students (86%) received direct employment opportunities in the CMHC field immediately following graduation; all of those positions (100%) were full-time. One (14%) of the graduates had a full-time human-service-related position. Of the seven students surveyed, all seven (100%) were already employed in the counseling or human service field; five students (71%) indicate promotional opportunities will arise for them from their CMHC degree; two (29%) indicate promotional opportunities within their agencies will not arise.

Wilmington University's CMHC Program has implemented a new procedure to improve the response rate.
