

Labster – Fall 2026

As a student enrolled in this course, you are automatically included in the University's Inclusive Access (IA) program.

Through IA, you receive access to required course materials through Canvas. The cost is charged to your student account after the course drop date.

Materials, Cost & Payment

Material Labster Virtual Lab

Cost **\$117.99**

Billing The \$117.99 charge will be added to your student billing account after the course drop date.

Charges can be paid through **my.wilmu.edu**. Financial aid, scholarships, grants, VA benefits, Guild, employer benefits, or other funding sources may apply if sufficient funds are available.

For additional information about Inclusive Access, visit the University's [Inclusive Access information page](#).

When Will I Receive Access?

Your Labster Virtual Lab access will be provided by your instructor **on or after September 9, 2026**.

Accessing Your Materials

Follow these steps to access Labster:

1. **Log in to Canvas** using your student credentials.
2. **Open your course.**
3. **Select Labster** from the left navigation menu.
4. **Click the Labster link** to launch the Labster course site.
5. **If prompted, log in to Labster or create a Labster account.** Some students may be logged in automatically.
6. **Follow the instructions in Labster** to begin your required virtual lab activities.

Important: If you do not see the Labster link or cannot access your materials after September 9, 2026, contact your instructor for assistance.
