Instructions:

In order to accurately determine your Federal Direct Loan eligibility with Wilmington University, we are required to review your student loan history within the National Student Loan Data System (NSLDS). It appears you have active federal student loans within the same academic year in which you are currently enrolled with our institution.

If you have already received aid for the current term and your loans are in excess of annual borrowing limits or federal aggregate limits, it may be necessary for our office to reduce and bill all or a portion of your already disbursed Federal Direct Loan(s). If you have not received aid for the current term, the information provided on this letter will allow our office to accurately package your aid, provided you have a completed financial aid file.

Please submit this form to your previous school's Financial Aid Office so we may determine your remaining Federal Direct Loan eligibility for the remainder of the current academic year.

Please print and sign your name below to give authorization for the school to release your information.
