***Do not Submit this page-Keep for your records***

### Instructions:

The SAP Appeal Committee meets three times per year and decisions are sent to students via US mail and in some cases via email notification to the student's myWilmU email address within one-week of the committee meeting.

Your appeal is due no later than the dates below if you wish to have your appeal reviewed for a specific semester.

**If your appeal is received after the deadline, it will not be reviewed until the next appeal committee:**

<b>Fall:</b> Submission Deadline	<b>10/03/2021</b>	Notification of Appeal Decisions By:	<b>10/19/2021</b>
<b>Spring:</b> Submission Deadline	<b>02/06/2022</b>	Notification of Appeal Decisions By:	<b>02/22/2022</b>
<b>Summer:</b> Submission Deadline	<b>06/05/2022</b>	Notification of Appeal Decisions By:	<b>06/21/2022</b>

### The Appeal Process:

- Appeals will be evaluated by a Committee consisting of staff members from throughout the university.
- The decision made by the Appeals Committee is FINAL
- If your SAP Appeal is DENIED, you may submit another appeal for the next semester. ***The most common reason that Appeals are denied is because they did not include documentation to confirm the explained circumstances.***
- If your SAP Appeal is approved, you will be mailed a copy of an academic plan that is personalized for you. You **MUST** sign and return the Academic Plan letter to the Financial Aid Office to have your financial aid processed.
- Academic Plans may be granted for multiple semesters based on the time the committee calculates it will take the student to reach the SAP standards for his/her grade level. However, you **MUST** show improvement each semester to continue to receive financial aid on the academic plan.

### Appeal Requirements:

- You must be able to adequately document your circumstances
- You must prove that the circumstances affecting your ability to perform academically have changed and thus you will have the potential to improve your performance in the upcoming term.

### You MUST submit the following items for a complete Appeal:

Item	Example
✓ <b>A completed and signed Appeal Form Cover Sheet</b>	Page 2 of this form. Be sure to complete all parts and sign.
✓ <b>A typed explanation of the circumstances that impacted your academic performance</b>	Describe the extenuating circumstances that impacted your academic performance and explain your plan of action to ensure your future academic success. Your explanation should reflect the time period that your academic performance was impacted. It may be helpful for you to review your transcript to ensure that you refer to the appropriate time period.
✓ <b>3rd Party documentation to confirm your extenuating circumstance</b>	For medical situations you do not need to submit excess medical information: A letter from a medical provider on his/her letterhead, or dated medical bills, or dated hospital discharge instructions are all sufficient. Birth certificates are also acceptable documentation for pregnancy related medical situations. For death, a copy of death certificate or funeral card/obituary is acceptable For employment, letter from employer, copies of employment documents and emails are acceptable.

***Please feel free to contact the financial aid office with any questions about the appeal process. The Student Success Center can also help students write appeal letters and determine the type of documentation to submit.***

I understand that:

Initial Here In order to be considered for appeal, I must submit a completed SAP Appeal Request form along with all supporting documentation to the Office of Financial Aid by the submission deadline (above) for the semester I wish to have my federal aid reinstated.
Submitting a SAP Appeal Request does not guarantee that my appeal will be granted or aid reinstated.
I may continue to attend classes while appealing my loss of aid however, financial aid will NOT be released UNLESS my appeal is approved; and financial aid will only cover the semester(s) I am approved.
If I continue to attend classes while appealing my loss of aid, and/or if I fail to drop my current courses before the university's drop/add date for the term (or block), I am responsible to pay any outstanding charges (including tuition & fees, book vouchers, etc.) on my account by the due date, as well as any late fees I may incur.
I've lost my financial aid eligibility because, after receiving a Warning Letter prior to my last term of enrollment, I am still below federal SAP eligibility standards because (check all that apply):
My cumulative GPA is below acceptable for my grade level.
I've completed less than 67% of all the courses that I've attempted.

(You may view your current GPA and Pace of Completion percentage via the financial aid/ bill pay page on your myWilmU portal by clicking on the "Progress" link under your financial aid requirements list.)

Do Not Sign and submit until you confirm that you have:

- Attached a typed explanation of circumstances
Attached supporting documentation from a third party
If you do not have supporting documentation explain why

I certify that I've read and understand all of the information as presented above and that I will adhere to the SAP Appeals guidelines as explained.
