

The Financial Aid Process

The 7 Steps to the Financial Aid Process:

- Create an "FSA I.D." (to use as an electronic signature on federal student aid documents) and complete the 2016-17 Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov.

Wilmington University's School Code: 007948

- Complete the "WU Online Application for Financial Aid" via WebCampus— "My Financial Aid". Click on the "Apply Online" tab when you enter the financial aid portal.
- Check "My Financial Aid" in Webcampus and Wildcats Email regularly and submit any requested documents or information in a timely manner via, mail, fax, email or in person.
- Accept (or decline or modify) your award via Webcampus after you receive an award notification (generally 4-6 weeks after all documents have been submitted).
- Complete a Direct Subsidized/Unsubsidized Loan Master Promissory Note (MPN) & Entrance Counseling (EC) at www.studentloans.gov. (MPN's are valid for 10 years and EC only needs to be completed once for each school attended.)
- Confirm that you are fully accepted into a DEGREE SEEKING program (no outstanding admissions documents).
- Maintain at least half-time enrollment each semester: (6 credits for undergraduates or 5 credits for graduate students) **within your degree program and degree level.**

The Financial Aid year mirrors the University's academic year, starting with fall and ending with summer. Students must reapply for financial aid each academic year using the steps outlined previously. Anticipated financial aid will be disbursed and refunded according to the dates below:
