The U.S. Department of Education has selected your file for review due to your unusual enrollment history. An unusual enrollment history is defined by having attended and received Federal Pell Grant and/or Federal Stafford and/or Graduate PLUS loan funds from multiple colleges/universities during the review period of: 2021-2022, 2022-2023, 2023-2024 and 2024-2025. Before processing your federal aid request, Wilmington University is required to review your enrollment history and determine whether you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, the Financial Aid Office will check the National Student Loan Data System (NSLDS) for a complete history of the federal Pell grants and loans you've received **and will notify the Office of Admissions of any colleges you attended that Wilmington University has not received transcripts (as required by your application for admission).**
