

## 2026-2027 Request for Professional Judgment Due to Special Circumstances

### Student Information

Last Name	First	M.I.	W00	Student I.D.	Phone Number
-----------	-------	------	-----	--------------	--------------

**Instructions:** You must read and complete this form in its entirety. Your request will be **DENIED** if you fail to provide **accurate and complete information**, along with adequate **required and additional supporting documentation** as explained below.

**PLEASE NOTE:** If your Student Aid Index (SAI) on the Free Application for Federal Student Aid (FAFSA) is negative or "0" you are already receiving the **maximum in federal grants, so this request cannot change your eligibility.**

Wilmington University recognizes that standard financial aid forms do not always capture the full financial profile of our students and their families due to **special circumstances**. With Professional Judgment, the Financial Aid Office **MAY** be able to adjust your FAFSA which **MAY** result in a recalculation of aid eligibility at Wilmington University. All Professional Judgment cases are subject to review and are not guaranteed to result in any additional financial aid.

### FAMILY SIZE INFORMATION

List the people you or your parent(s) will support between July 1, 2026, and June 30, 2027. Family size includes the following:

#### DEPENDENT STUDENT

- The student
- The student's parents, even if the student is not living with them. Exclude a parent who has died or is not living in the household because of legal separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family.
- The student's siblings if the following are true:
  - They live with the student's parents (or live apart because of college enrollment),
  - They receive more than half of their support from the student's parents, and
  - They will continue to receive more than half their support from the student's parents during the award year.
- Other persons if the following are true:

The provided criteria for “dependent children” or “other persons” align with the requirement that family size align with whom the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S tax return at the time of completing the 2026-2027 FAFSA. As a result, the parent should not include any unborn children in the family size.

Write the name of the college below for any household member, excluding your parent/s (for dependent students), who will be enrolled at least half time in a degree, diploma, or certificate program at an eligible postsecondary educational institution any time between July 1, 2026, and June 30, 2027.

**IMPORTANT:** Parent(s) college enrollment status is not considered for a dependent student.

If more space is required, attach a separate page with the student’s name and page number at the top.

Once your completed request is submitted along with all required documents, a financial aid advisor will review your request and notify you of the result.

**Please note that submitting this form does not guarantee that your request will be approved, or that you will be eligible for additional aid. In many cases professional judgment adjustments made to the FAFSA do not result in significant changes to the SAI (Student Aid Index) and, therefore, do not change a student's financial aid package. Additionally, decisions are school-specific, apply to only one academic year, and are final.**
