

Post-M.S.N. Nurse Practitioner Graduate Certificate

This post-graduate certificate is designed for nurses holding M.S.N. degrees who wish to become nurse practitioners (NPs), or practicing NPs who seek other concentrations within their fields. The course of study is individualized based on the type of M.S.N. held by the candidate. Each candidate must make an application to the program as a certificate candidate and must meet the admission requirements for the M.S.N. program.

Prerequisite Courses Based on GAP Analysis: (12 credits)

Completion of these M.S.N. core courses is required. Candidates who have not taken these courses as part of their M.S.N. program will need to do so during the certificate program.

- MSN 6502** Contemporary Concepts in Advanced Practice Roles
- MSN 6620** Application of Research for Evidence Based Practice
- DNP 7101** Epidemiology for Advanced Nursing Practice
- DNP 7104** Politics and Policy in the Healthcare System*

*Students may take courses upon admission to the post-graduate certificate program.

Curriculum: (30 credits/500 clinical hours)

Prerequisites may be required. Visit the program page for details.

- MSN 6603** Advanced Physiology/Pathophysiology
- MSN 7701** Child Development and Assessment
- MSN 7702** Advanced Adult Health Assessment
