

Associate of Science in Finance

Take the First Step Toward a Career in Finance

Combining theory and practice, Wilmington University's A.S. in Finance will help launch your career as an analyst or financial planner or prepare you for a bachelor's degree. Available 100% online or face-to-face, this affordable degree fits your life.

The Finance Skills You Need

In courses such as Principles of Management, Business Statistics, Financial Planning and Corporate Finance, you'll learn to analyze data and apply financial models to develop solutions and make decisions for small businesses or the region's leading institutions.

Learn From Experienced Practitioners

WilmU's career-focused coursework and hands-on learning activities are led by active and experienced practitioners, who bring real-world lessons and cutting-edge insights to your education.

A Finance Degree on Your Time and Budget

This 20-course degree program can be completed in as little as four full-time semesters, either 100% online or in traditional classrooms at WilmU locations. It's an affordable start toward a competitive edge in a lucrative career.
