

Dual Degree: D.N.P. + MBA (Health Care Administration Concentration)

Become an Expert Clinician and Executive Leader With a Dual Degree

This flexible and affordable dual-degree program provides candidates the opportunity to earn Doctor of Nursing Practice and Master of Business Administration in Health Care Administration degrees simultaneously. Advanced practice registered nurses and nurse leaders will acquire the requisite skills to succeed in an increasingly complex health care environment.

Hands-On Courses Guided by Seasoned Health Care Leaders

Doctorally prepared D.N.P. faculty will lead you to bridge the gap between research and clinical practice through coursework, experiential engagement hours and a Doctor of Nursing Practice project. Choose Advanced Practice or Leadership concentrations to align your degree with your career goals.

Excel in the Business of Health Care Administration

The MBA in Health Care Administration is designed with an emphasis on quantitative and qualitative analytical techniques, and executive skills development. The D.N.P. + MBA will prepare you with business and entrepreneurial expertise through courses that include Introduction to Data Analytics, Global Marketing Management, and Health Care Economics and the Business of Practice.

Earn Your D.N.P. + MBA Your Way

Forward-thinking in its flexibility, this program allows you to earn your degree 100% online. Wilmington University is nationally recognized for excellence in e-learning and exemplary online course programs.
