

Doctor of Education in Higher Education Leadership

The Ed.D. in Higher Education Leadership — Doctoral Education for Impactful Leaders

Designed for the professional development and advancement of higher education faculty, administration and other personnel, the Ed.D. in Higher Education Leadership offers optimum flexibility for the working adult.

Customized for Your Goals and Interests

This innovative doctoral program allows you to personalize all aspects of your degree. Practice-based learning and mentor relationships forge strong connections to your chosen areas of interest within higher education. Individualized, student-driven, guided study coursework puts theory and research into practice.

A Doctoral Degree That Accommodates Your Schedule

Complete your Higher Education Leadership degree in just three years while working full time! This 100% online format provides optimum flexibility that requires only one hour of synchronous online meeting time per week.

Learn From and Alongside Engaged Higher Education Leaders

You'll learn to conduct and apply research from faculty who are actively practicing subject matter experts in higher education. This Ed.D.'s cohort model fosters collaboration with fellow candidates whose diverse experiences will enrich your study and broaden your professional network.

Guided Study (15 Credits)

- HEL 8501-8505 Guided Studies Courses***

* The Applied Inquiry project (6 credits minimum) will be supervised by a dissertation advisor mutually agreed upon between the student and program chair. Students can choose from a variety of project formats. However, Applied Inquiry projects are expected to focus on applied research (i.e., a solution to a "problem of practice") in the field of higher education. Students have the liberty to select the topic and format of the capstone, provided they have approval of the dissertation advisor and program chair.

** Course available if needed, not required.

*** Each course in the sequence is worth three doctoral credits.
