

# Master of Science in Human Services

## Lead and Succeed With Your M.S. in Human Services Degree

The Human Services master's degree program is geared toward working professionals who seek the knowledge and skills to lead nonprofit organizations, for-profit social service providers and government agencies. With themes of scholarship, professional experience, ethics and technology woven throughout the curriculum, this content-rich program is available in person or 100% online.

### Choose a Human Services Degree Program of the Highest Standards

Designed in accordance with the Council for Standards in Human Service Education, this program combines a core of human services courses with free electives that allow you to tailor your degree to meet your career needs and interests.

### Learn From Engaged Human Services Leaders

You'll gain theoretical, methodological and practical knowledge from faculty who are active in the field. The M.S. in Human Services program teaches you to apply advanced skills and build your professional network through a 120-hour field experience practicum with a human services agency leader.

### Enjoy a Top-Value Human Services Graduate Degree

WilmU's M.S. in Human Services has been named #1 Most Affordable Online Master's Degree in Human Services by bestcollegevalues.com. All WilmU students benefit from low tuition rates.
