

Trauma-Informed Approaches

Undergraduate Certificate

Trauma impacts individuals, families and communities in many ways and on many levels. Caring professionals without appropriate training in trauma and its effects may actually worsen trauma-related issues. Be part of the solution — learn about the impact of trauma on clients, co-workers, friends, family and even ourselves and become a trauma-informed professional.

Course Requirements (9 credits)

Prerequisites may be required. Visit the program page for details.

- PSY 420** Introduction to Trauma-Informed Approaches
