UX/UI Design
Undergraduate Certificate

Upskill for a UX/UI Design Career!

The importance of effective, top-quality user experience and user interface (UX/UI) continues to grow across all industries. Increase your marketability and gain in-demand skills to address this need through WilmU's undergraduate certificate in UX/UI Design. You'll learn to merge design, content, business and marketing strategies to produce cross-platform design experiences that are enjoyable, efficient, safe and ethical. The 100% online format option makes it convenient to earn your certificate while balancing personal and professional commitments.
