

Holistic Palliative and End-of-Life Care

Undergraduate Certificate

The pervasive increase in chronic conditions among an aging patient population, coupled with challenging health care delivery situations in diverse practice settings, demands specialized preparation. Wilmington University's Holistic Palliative and End-of-Life Care Certificate meets the needs of professional care providers and others who face these issues in their fields.

Course Requirements (9 credits)

Prerequisites may be required. Visit the program page for details wilmu.edu/health.

- HLT 362** Topics in Palliative and End-of-Life Care
- HLT 364** The Process of Dying
