

Bachelor of Science in Accounting and Finance

Multiply Your Career Options With a Degree in Accounting and Finance

Accountants and finance professionals often view the same data from different vantage points and with different goals. This integrated bachelor's degree in Accounting and Finance gives you the knowledge base to interrelate those perspectives and make more informed strategic and tactical business decisions. You can choose to learn in person or 100% online!

Strong Foundations in Both Accounting and Finance

You'll receive expert instruction in courses covering basic and intermediate accounting, business analytics, financial planning, reporting and analysis, economics, tax accounting, and corporate finance. Then you'll choose courses to align with your professional goals.

Preparing for the CPA? You're Covered.

The B.S. in Accounting and Finance equips you with 120 hours toward the 150-hour requirement to earn your CPA license. Plus, you'll be well prepared to sit for the CPA and other professional exams. Cooperative learning experiences are available to deepen your study through hands-on application of skills.

Choose a Value-Packed Accounting and Finance Degree

This affordable program features WilmuU's low in-state tuition rates for all students, regardless of residence. Admission to this IACBE-accredited bachelor's degree program is guaranteed, with no SAT, GRE or GMAT required. And you'll enjoy our small classes led by practicing CPAs, financial planners and other leading business professionals.
