

Bachelor of Science in Business Management

A Strong Foundation for Your Business Career

Gain expertise in the business management skills and applications that increase your value to employers. This IACBE-accredited business degree program has resume-building credentials incorporated into the curriculum. Graduate fully prepared to advance your business career or pursue graduate-level study.

A Business Degree That Spans All Industries

This career-driven undergraduate business degree program will give you versatile, in-demand job skills through classes in analytics, project management, marketing, sustainability, supply chain management, communications, professionalism, social entrepreneurship and more.

Learn From Experienced Business Management Leaders

Courses are taught by industry experts who are active management practitioners, ready to share the hard-earned wisdom and experience they've gained addressing today's business challenges. Small class sizes ensure valuable interaction between students and esteemed faculty.

Earn Project Management Institute Certification

WilmU's affordable B.S. in Business Management program has the added value of coursework to qualify you for a Project Management Institute certification. Plus, the program's hands-on learning experiences will help build your resume and professional network.
