

# Master of Science in Management (MS in Management)

## The Master of Science in Management — When You're Ready To Lead

This flexible and affordable M.S. in Management program prepares skilled leaders and change agents through an emphasis on strategic thinking and artful communication. You'll learn to successfully manage diverse teams while nurturing creativity and harnessing new technologies.

### Content-Rich Curriculum Aligns With Your Goals

A choice of five concentrations allows you to customize your degree program to focus on your specific career interests.

### You're Ready, Right Now!

You can get started right away because the M.S. in Management program has no prerequisite courses. No SAT or GMAT scores are required for admission.

### Get Your MS in Management Faster and More Affordably

You may be eligible to get a head start on your M.S. in Management by earning WilmU academic credit for your prior coursework, previous work experience or industry certifications.

### Accelerated Cohort Option for Organizational Leadership Concentration

Motivated students interested in a rigorous, accelerated pathway to an M.S. in Management in Organizational Leadership may want to apply for the 16-month accelerated cohort. This model of study offers an intensive learning experience in organizational leadership with an emphasis on collaboration and teamwork. You'll share resources, information and support with your cohort members while broadening your horizons through culturally diverse interactions.
