

Project Management

Undergraduate Certificate

WilmU's Project Management certificate program introduces the concepts and practices you'll need for success. You'll learn about logistics and supply chain management, operations and systems management, supervisory and project management, and customer service from business-experienced instructors who bring real-world scenarios and cutting-edge solutions to the classroom.

Course Requirements (16 credits):

Prerequisites may be required. Visit the program page for details.

☐ **BBM 100** Customer Service Workshop (1 credit)

☐ **BBM 315** Supervisory Management

☐ **BBM 386** Introduction to Logistics and Supply Chain Management

☐ **BBM 411** Operations and Systems Management

☐ **BBM 412** Project Management*

Electives** (must select one of the following courses):

☐ **BBM 319** Business Ethics

☐ **BBM 330** Power and Influence

☐ **BBM 347** Interpersonal Skills and Professionalism

☐ **BBM 382** Sustainability and Energy Management

☐ **HRM 310** Organizational Development

☐ **HRM 321** Organizational Communication

* The certificate prepares students for the Project Management Institute (PMI) exam. Upon completion of BBM 412, Project Management, students will have the option of taking a project management exam, offered by the Project Management Institute. This will provide students with an additional credential from the PMI. The PMI certification requires: (1) an educational component and (2) passing scores on the PMP® exam. This course satisfies the educational component for the first-level certification.

** Internship in Project Management can be substituted for the required elective course.
Prerequisite(s): BBM 386 and BBM 412.
