

# Technical Communication

## Undergraduate Certificate

### Technical Communication—Add to Your Versatility with Skills That Span Industries

You'll become proficient in both the technical and storytelling sides of communication while gaining the ability to discern which channels, tools, or media are best suited to engage your intended audience. Graphic and web design coursework round out the program and provide the design skills needed to convey your messaging.

### Curriculum: (18 credits)

*Prerequisites may be required. Visit program page for details.*

- COM 250** Technical Writing
- COM 355** Advanced Technical Communication\*
- CSC 100** Basic to Intermediate Web Design
- DSN 105** Visual Communication
- DSN 121** Basic InDesign
- VFP 222** Story Design Methods

*\*Offers training for the optional Certified Professional Technical Communicator™ exam, sponsored by the Society for Technical Communication.*
