

Wilmington University Course Equivalencies for Advanced Placement Tests for the 2023-2024 Academic Year

Students who take an AP course that is also part of a high school/college program cannot receive credit for both the test and the Dual Enrollment transcript. In most cases, WilmU recognizes the college transfer work and does not award the AP credit. Examination equivalencies below are subject to update and are for students matriculating to Wilmington University in 2023-2024. Last updated 11/6/2023. **AP Exams are scored on a 1 to 5 scale. WilmU accepts scores of 3 and higher.**
